Docket No. R2009-2

MOTION OF THE GREETING CARD ASSOCIATION
FOR LEAVE TO FILE STATEMENT OF CONCURRENCE

The Greeting Card Association (GCA) hereby respectfully moves that the Commission permit it to file the attached Statement of Concurrence. The purpose of the Statement is only to record GCA's concurrence in the view, expressed in a number of the comments filed on March 2, 2009, that a separate proceeding on the proper benchmark for, and method of calculating, First-Class worksharing discounts would be desirable. Accordingly, GCA believes that no party would be prejudiced by acceptance of this filing.

March 9, 2009

Respectfully submitted,

GREETING CARD ASSOCIATION
