MOTION  
FOR LEAVE TO FILE COMMENTS

The Direct Marketing Association (DMA) hereby respectfully requests that the Commission permit it to file the attached Comments in response to PRC Order No. 180, February 12, 2009. The purpose of Comments is to express DMA's views with respect to the review provisions of the Postal Enhancement and Accountability Act associated with price adjustment notices for market dominant products and to urge the Commission to confine its review as provided by the Act.

DMA does not believe that any party would be prejudiced by the late acceptance of these comments.

Respectfully submitted,
