MOTION FOR LEAVE TO SUBMIT COMMENTS OUT OF TIME

The Greeting Card Association (GCA) respectfully moves for leave to submit the attached comments out of time. The comments concern one of the proposed product additions: Greeting Cards, Stationery, and Related Items.

The comments filed in the proceeding to date raise a number of issues, but do not, as a general matter, present the point of view of the household consumer. The proposed new product is – unlike many of those included in this docket – a consumer product. GCA believes that a consumer perspective would be helpful to the Commission and not prejudicial to other participants. We of course acknowledge that by moving for leave to file out of time we are accepting the case in its present procedural posture.

Respectfully submitted,

GREETING CARD ASSOCIATION
