

**PR/USPS-T1-9**

Your testimony focuses on the consolidation and closing of branches and stations part of the “Station and Branch Optimization and Consolidation Initiative” (Initiative).

- (a) As part of the optimization portion of the Initiative or otherwise, is the Postal Service considering, or has it considered, a reduction in hours of operation for certain stations and branches?
- (b) Please provide a list of specific candidate stations and branches that the Postal Service is considering or has considered reducing the hours of operation. Please include the hours of operation both before and after the reduction in hours.
- (c) Please describe the current procedures for changing the hours of operation at stations and branches. Please provide all documents discussing such procedures.
- (d) Please describe any changes in the procedures for changing the hours of operation at stations and branches as a result of the Initiative or otherwise implemented in the past two years or to be initiated in the next year. Please provide all documents discussing such changes in procedures.

**PR/USPS-T1-10**

On page 7 of your testimony, you mention postal collection boxes.

- (a) Could the Initiative have an effect on Postal Service’s collection boxes? If so, please describe any potential effects on postal collection boxes (including the removal of collection boxes, relocation of collection boxes, and changes in collection times).
- (b) Please describe how the Postal Service considers or will consider making changes to collection boxes. Please provide all documents discussing any changes to postal collection boxes (including the removal of collection boxes, relocation of collection boxes, and changes in collection times).
- (c) Does the Postal Service have any procedures for making changes to collection boxes? If so, please describe such procedures and provide all documents discussing such procedures.
