Notice of Intervention of  
The National League of Postmasters  
As a Limited Participant  
July 28, 2009

The National League of Postmasters (League) submits this notice of intervention as a Limited Participant pursuant to the Commission's Rules of Practice and Procedure and Commission Order 244.

Founded in 1887, the League is a management association that represents the interests of tens of thousands of Postmasters across the United States. As such, the League has not only a substantial interest in this matter, but an expertise on post offices and consolidations that few can match.

The League takes no position on the need for a hearing.

Respectfully submitted,

/S/
