**STATEMENT OF SUPPORTING JUSTIFICATION**

I, Mary Prince Anderson, Acting Manager, Sales and Communications, Expedited Shipping, am sponsoring this request that the Commission add Priority Mail Contract 15 to the list of competitive products. This statement supports the Postal Service's request by providing the information required by each applicable subsection of 39 C.F.R. § 3020.32. I attest to the accuracy of the information contained herein.

- (a) *Demonstrate why the change is in accordance with the policies and applicable criteria of the Act.*

As demonstrated below, the change complies with the applicable statutory provisions.

- (b) *Explain why, as to the market dominant products, the change is not inconsistent with each requirement of 39 U.S.C. § 3622(d), and that it advances the objectives of 39 U.S. C. § 3622(b), taking into account the factors of 39 U.S. C. § 3622(c).*

Not applicable. The Postal Service is proposing that this Priority Mail contract be added to the competitive products list.

- (c) *Explain why, as to competitive products, the addition, deletion, or transfer will not result in the violation of any of the standards of 39 U.S.C. 3633.*

The service to be provided under the contract will cover its attributable costs and make a positive contribution to coverage of institutional costs. The contract will increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. Accordingly, no issue of subsidization of competitive products by market dominant products arises (39 U.S.C. § 3633(a)(1)).
