(August 26, 2009)

On July 29, 2009, the Postal Regulatory Commission (Commission) issued Order No. 262, adding the specific agreement that is the subject of Docket Number CP2009-50 to the Global Expedited Package Services 1 product established in Docket No. CP2008-5.¹ That agreement replaced a prior agreement with the same customer which expired one year from its effective date under the terms of the agreement. In Order 262, the Commission requested that the Postal Service provide cost, volume and revenue data associated with the expired agreement within 30 days of the effective date of the new one. The Postal Service files this response to that request in accordance with 39 C.F.R. § 3007.20, and asks, for the reasons set forth in the attached Application, that the Commission treat the reported information as non-public.
