CONCERNING TERMINATION DATE OF ADDITIONAL GLOBAL EXPEDITED
PACKAGE SERVICES 2 NEGOTIATED SERVICE AGREEMENT**
(October 5, 2009)

On August 24, 2009, the Postal Regulatory Commission (Commission) issued Order No. 285, adding the specific agreement that is the subject of this docket to the Global Expedited Package Services 1 product established in Docket No. CP2008-4.¹ In that Order, the Commission directed that the Postal Service give notice of the termination date of the specific Global Expedited Package Services 1 agreement and to update that information if it changed. Subsequently, in Order No. 290, the Commission clarified that GEPS agreements, including this one, filed after the one in Docket No. CP2009-50 would be included in the GEPS 2 product created in that docket.² The Postal Service provided October 1, 2009, as the start date for the agreement and September 30, 2010, as the termination date.³

On September 21, 2009, the Mailer notified the Postal Service that it was withdrawing its offer of the minimum commitment included in the GEPS 2 agreement in favor of using a competitor's service. Therefore, the Postal Service now asks the Commission to remove CP2009-58 from the competitive products list.
