POSTAL REGULATORY COMMISSION
WASHINGTON, DC 20268-0001

Annual Compliance Report, 2009

Docket No. ACR2009

NOTICE OF APPOINTMENT OF PUBLIC REPRESENTATIVE

(Issued October 28, 2009)

The Postal Service's annual compliance report for FY 2009 (FY 2009 ACR) is due to be filed in late December 2009. 39 U.S.C. § 3652(a). The Commission's annual compliance determination must be issued no later than 90 days of receipt of the FY 2009 ACR. 39 U.S.C. § 3653(b).

By any measure, issues to be addressed in an annual compliance determination are detailed and, to be understood, require substantial analysis of the supporting materials. To assist in the development of a more complete record, the Commission has determined to appoint a Public Representative in advance of the filing so that he, along with assigned staff, may be afforded adequate preparatory time in anticipation of the FY 2009 ACR.

Therefore, pursuant to 39 U.S.C. § 505, the Commission designates Kenneth E. Richardson to represent the interests of the general public in the above-captioned docket. Neither Mr. Richardson nor any staff assigned to assist him shall participate in or provide any advice on any Commission decision in this proceeding other than in their designated capacity.

By the Commission.
