REVIEW OF NONPOSTAL SERVICES

Docket No. MC2008-1 (Phase II)

MOTION OF THE UNITED STATES POSTAL SERVICE
TO RE-OPEN AND SUPPLEMENT THE RECORD
(November 18, 2009)

The record of this proceeding indicates that the Postal Service has a license agreement with Clover Technologies Group, Inc., regarding Postal Service-branded postage meter ink cartridges and supplies. See Supplemental Sworn Statement of Gary A. Thuro at 2-3. The Postal Service hereby moves that the record be re-opened, and that the supplemental declaration of Gary A. Thuro regarding the termination of that agreement be admitted onto the record. This declaration is being filed separately. Re-opening the record to admit evidence of the termination of this agreement will ensure that the Commission's final order is appropriately based on full, complete, and accurate information. Furthermore, no party would be prejudiced by re-opening the record in this regard.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
