**NOTICE OF UNITED STATES POSTAL SERVICE OF FILING UPDATED FINANCIAL
INFORMATION**

(December 29, 2009)

On December 18, 2009, the United States Postal Service (Postal Service) filed in this proceeding a Notice of Change in Prices Under Functionally Equivalent International Business Reply Service Competitive Contracts 1 Negotiated Service Agreement. With its Notice, the Postal Service filed financial information establishing compliance with 39 U.S.C. § 3633 and 39 C.F.R. § 3015.5. As a result of the finalization of negotiations for the Postal Service's 2010-2011 contractual bilateral agreement with the Canada Post Corporation, certain settlement charges that affect the cost basis of the rates at issue in this proceeding have changed from those that formed the basis for the original financial work papers. Although the Postal Service does not believe this to produce a material impact on the instant rates' compliance with 39 U.S.C. § 3633, the Postal Service hereby submits updated work papers. The Postal Service is filing the updated work papers non-publicly for the same reasons set forth in the application for non-public treatment associated with the original work papers; hence, the Postal Service incorporates by reference Attachment 3 of its initial Notice in this proceeding.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
