

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, D.C. 20268-0001

ANNUAL COMPLIANCE REPORT, 2009

Docket No. ACR2009

NOTICE OF THE UNITED STATES POSTAL SERVICE OF  
FILING OF COMPLETE VERSION OF USPS-FY09-NP10 -- ERRATA  
(January 12, 2010)

The Postal Service is today providing the Commission with a complete version of USPS-FY09-NP10, FY 2009 Competitive Product Incremental and Group Specific Costs. On November 30, 2009, the Postal Service, pursuant to Commission Rule 3050.2(d), filed a request to defer filing of documentation of the incremental cost model ultimately provided as part of USPS-FY09-NP10. The Commission granted that request. Order No. 355 (December 10, 2009). (Order No. 355 also authorized deferral of certain SAS documentation relating to mail processing costs, if necessary, but the Postal Service was able to prepare and file complete SAS documentation with the rest of the ACR on December 29.) Accordingly, on December 29, the Postal Service provided an incomplete version of USPS-FY09-NP10, containing just the material that was available as of that date.

The version of USPS-FY09-NP10 filed today includes complete documentation of the incremental cost model, and supersedes the version filed earlier. Nothing of substance filed in the earlier version has changed, but the new version simply includes additional material that was not available earlier. The new material provides the documentation of the incremental cost model that generates the incremental cost figure

presented on page 76 of the text of the ACR. The Postal Service is providing the Commission both with hard-copy replacement pages for the entire Preface, and a new disk that completely replaces the original disk.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.  
Chief Counsel, Pricing & Product Support

---

Eric P. Koetting

### **CERTIFICATE OF SERVICE**

I hereby certify that I have this date served the foregoing document in accordance with Section 12 of the Rules of Practice and Procedure.
