

**BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001**

Annual Compliance Report, 2009

)

Docket No. ACR2009

**NOTICE OF INTENT TO PARTICIPATE
OF
AMERICAN BUSINESS MEDIA
(January 29, 2009)**

Pursuant to the Commission's "Notice of Public Forum and Opportunity to Comment" issued in this Docket on January 20, 2009, American Business Media, the trade association for the nation's leading business-to-business media companies and an active participant in proceedings before this Commission, hereby advises the Commission that it intends to participate in the public forum to be held on February 10.

American Business Media is of course cognizant of the Commission's request that notices should, "if possible," identify the issues to be raised, and American Business Media expects to address, possibly among other issues, the horrific impact that an exigent postal rate increase would have on the business-to-business publishing industry. Unfortunately, we cannot be more specific without reviewing the Postal Service's submission, due today, but the filing of this notice cannot await such review,

because the undersigned counsel for American Business Media expects to be out of the country for a week, beginning tomorrow.

Respectfully submitted,

/s/ David R. Straus
