

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, DC 20268-0001

Annual Compliance Report, 2009

Docket No. ACR2009

PUBLIC REPRESENTATIVE NOTICE  
OF PARTICIPATION IN PUBLIC FORUM  
(February 3, 2010)

Pursuant to the Commission's Notice of Public Forum and Opportunity to Comment, issued January 20, 2010, the Public Representative hereby gives notice of intent to participate at the public forum scheduled for February 10, 2010.

Because the Public Representative filed lengthy comments on February 2, 2010 (revised February 3, 2010), discussing the issues related to the Postal Service's plans to maintain financial stability, there does not appear to be a need for an additional opening statement from the Public Representative. However, the Public Representative will be present and available, together with William Miller and Ken Moeller assigned to provide technical assistance in this docket. The Public Representative would like to reserve the opportunity to respond to participants' comments, as appropriate.

Issues of primary interest to the Public Representative include the details of the Postal Service's plans to maintain financial stability, and, in the event Congress may not provide financial relief to the Postal Service, the actions necessary and feasible to forestall significant cash shortages in early FY 2011, eight months from today.

Respectfully submitted,

Kenneth E. Richardson  
Public Representative
