Re: Docket No. C2010-2, Complaint of Lance P. McDermott

Dear Ms. Gibbons:

Enclosed please find a copy of a document titled Complaint of the Determination to Sell, Consolidate, and Dispose of the Facilities Located in Washington State. Supporting material also is included. Although the document may not adhere to the formalities specified by Commission rules for the filing of complaints, it is clear that the intent of Mr. McDermott is to file a complaint. Consistent with the Commission's policy of attempting to accommodate those that may be less familiar with standard procedure, the Commission accepts this material as a request to file complaint.

Your attention is directed to rule 3030.12 of the Commission's *Rules of Practice and Procedure*, which requires that an answer to a complaint shall be filed within 20 days after the filing of the complaint with this Commission. The Commission requests that every effort be undertaken to formulate an appropriate answer.

Best Regards,

Shoshana M. Grove
