Please refer to the first paragraph on page 26 of your prefiled testimony, where you state that qualified respondents to the consumer questionnaire “were asked to identify the applications used for personal purposes over the past 12 months.”

(a) Was the intent of the quoted inquiry to have the respondent exclude from his or her responses to all items in the questionnaire any information regarding use of an application for purposes of a home-based business (as distinguished from “personal” purposes)?

(b) If your answer to (a) is not an unqualified “yes,” please explain the intended meaning of “personal purposes” in the quoted passage.
