GREETING CARD ASSOCIATION MOTION FOR LEAVE TO FILE NOTICE OF
INTENT TO CROSS EXAMINE OUT OF TIME

The Greeting Card Association (GCA) respectfully requests leave to file the accompanying Notice of Intent to Cross Examine one day late. GCA is awaiting answers to a number of followup interrogatories, and has just learned when such answers may be expected. Believing that a reasonable good-faith estimate of the amount of time required is not impossible now, and rather than cause further delay by awaiting the responses, GCA requests that the Commission to accept its Notice of Intent today.

July 9, 2010

Respectfully submitted,

GREETING CARD ASSOCIATION
