Dear Mr. Corbett,

Thank you for providing the Commission with the corrected data relating to advertising costs identified recently by the Postal Service's Office of Inspector General. My colleagues and I appreciate your taking prompt action to assure that the Commission received the updated information and calculations of Competitive Products Contribution to Institutional Cost and Priority Mail cost coverage. We also acknowledge the receipt of data relating to advertising costs attributed to market-dominant products.

I have forwarded your letter with its calculations to the Commission's Secretary to be included as part of the 2009ACD docket. It, along with this letter, will be posted on the Commission's website in the interests of transparency.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ruth Y. Goldway".
