MOTION OF THE PUBLIC REPRESENTATIVE FOR LATE ACCEPTANCE

CONTRACTS -- NEGOTIATED SERVICE AGREEMENTS

(July 27, 2010)

The Public Representative hereby moves for permission to file one day late comments in the above-styled dockets. Regrettably, software issues arose in an attempted July 26 filing which were discovered after the deadline passed. Late acceptance will not delay the proceeding, nor should any participant be adversely affected by late acceptance of the comments.
