RE: Docket No. R2009-5

Dear Ms. Abrams:

Attached are two corrected data files associated with the Postal Service's Data Collection Report for the First-Class Mail Incentive Program. The Postal Service filed its report on July 26, 2010, but attached the incorrect versions of two Excel files associated with the report. The corrected files are attached and should replace the original files in their entirety. No changes have been made to the narrative report or the .zip file that were filed on July 26, 2010.

Sincerely,

Elizabeth A. Reed  
Attorney
