**National Association of Postmasters of the United States  
Notice of Intervention**

The National Association of Postmasters of the United States (NAPUS) hereby gives notice of its intervention in the referenced proceeding in accordance with Order No. 485 and section 20 of the Commission's Rules of Practice.

NAPUS represents the managers-in-charge of Post Offices. NAPUS comprises approximately 39,000 dues-paying members. Postmasters manage a wide variety of postal operations, including delivery, retail functions, and mail processing. Moreover, Postmasters have direct and daily contact with communities in which they serve, providing front-line accountability for all postal operations. NAPUS' interests are directly affected by the U.S. Postal Service's request for a rate adjustment due to "extraordinary or exceptional circumstances."

Thus, NAPUS has a substantial interest in the issues raised by this proceeding and its outcome.

Respectfully submitted,
