GREETING CARD ASSOCIATION SUBMISSION OF
SUPPLEMENTAL QUESTION FOR PUBLIC HEARING

Pursuant to § 3010.65(c) of the Rules of Practice and Order No. 485, the Greeting Card Association (GCA) hereby submits one supplemental suggested question for the August 10-12, 2010, public hearings in this Docket. This question is in addition to those GCA filed on August 5, 2010. It is a technical question similar to those in Part II of GCA's earlier submission, refers to the first question in that Part II, and should be added at the end of that section.

August 6, 2010

Respectfully submitted,

GREETING CARD ASSOCIATION

4. With reference back to Question 1 in this Part II, which requested an updated “sources of change” in mail volume:

- a. Please state whether the contribution of “Macroeconomic Factors” measures the decline in mail volume due to recession.
- b. If your answer to (a) is negative, please provide the amount of decline in mail volume due to just recession for each mail category and overall, as far as data allows.
- c. Please state in detail what those macroeconomic factors are which constitute the “Macroeconomic Factors” column.
