NORTH AMERICAN EQUIPMENT DEALERS ASSOCIATION
REGARDING POSTAL SERVICE REQUEST FOR A RATE ADJUSTMENT
DUE TO EXTRAORDINARY OR EXCEPTIONAL CIRCUMSTANCES

The North American Equipment Dealers Association (NAEDA) hereby moves for late acceptance of its Initial Comments regarding the Postal Service's pending request for a rate adjustment.

NAEDA's Initial Comments were due on August 17, 2010, but we were unable to file on the due date as our magazine editor was unable to provide the necessary data to my office prior to the deadline. Our data was completed and received on August 18th and our comments were filed that same day.

NAEDA respectfully requests that our Initial Comments be accepted by the Commission.

Respectfully submitted,
