The Postal Service moves for the late acceptance of the responses to the following interrogatories of GameFly, Inc.: GFL/USPS-T4-21, 34(d)-(f), 38, and 39, filed on August 4, 2010. The responses are being filed late due to the unavailability of the witness arising from an unexpected family emergency, the need for cross-functional consultation and coordination, and complications created by the press of other business in this and other proceedings. The Postal Service regrets the delay, believes no prejudice arises from the delay of two days, and continues work on other pending matters.
