EMBEDDED IN THE SURVEY INSTRUMENT

Note: This is a facsimile of the survey programmed into OSRL's computer-aided telephone interviewing system (CATI). Variable names, interviewer instructions, and answer categories are indicated in CAPITAL letters and are not read aloud. Experimental questions are presented side-by-side. If no respondent answered "don't know" "refuse" or "no answer" to an item, those answer categories were removed to save vertical space.

HELLO1

Hello. This is the [University of] Oregon Survey Research Laboratory calling. Four sponsors have asked us to conduct a 15-minute omnibus survey with adult Oregonians [age 18 or older] about your opinions and experiences on several issues. (I am / My name is) _____, and I want to assure you that this survey is completely anonymous and voluntary [and that I am not selling a thing]. [Please do not even tell me your name.]

PROBE: [The survey sponsors are] the University of Oregon, Oregon State University, the Oregon Criminal Justice Commission, and ECO Northwest [a consulting firm].

PROBE: The interview's length depends on your answers. [If your answers are quick and short, it will go faster.] I can talk fast to make it go quickly.

PROBE FOR 'OMNIBUS': An omnibus survey is about many different topics to learn what the public thinks [which makes it interesting]. [It saves money when several organizations get together to do one survey to ask all their questions, rather than doing separate surveys.]

HELLO2

Do you have any questions about the survey before we begin?

COOPERAT

We appreciate your cooperation. [I'd like to begin the survey now.]

YRSRES

I will begin by asking you some questions about Oregon in general. How many years have you lived in Oregon [altogether]?
