Attorney

OCA/USPS-ST14-1. In reviewing your conclusions on page 10, lines 11-17, of your statement filed on February 6, 1998 (styled above as supplemental testimony, ST14) you conclude that the 27 different regression coefficients are not identical across sites and indicate that this is not surprising. Please confirm that you did not test for the equality of the regression coefficients of the TPH variable alone, disregarding the equality or inequality of any other variable coefficients. If you do not confirm, please explain.

#### CERTIFICATE OF SERVICE
