POSTAL RATE COMMISSION
OFFICE OF THE SECRETARY

Docket No. R97-1

POSTAL RATE AND FEE CHANGES, 1997

NOTICE OF UNITED STATES POSTAL SERVICE
OF INTENT TO RELY ON REVISED VERSION OF RESPONSE
OF PSA WITNESS JELLISON
(April 1, 1998)

In preparing its brief, the Postal Service noted that the response of Parcel Shippers Association witness Jellison to USPS/PSA-T1-34 included in the record at Tr. 24/13039-40 is the original version of the response, rather than the revised version, filed on February 18, 1998. The Postal Service accordingly requests that the attached page, containing the part of the response that was changed, be substituted for transcript page 13040.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking

Scott L. Reiter

**RESPONSES OF PARCEL SHIPPERS ASSOCIATION WITNESS JELLISON
TO INTERROGATORIES OF UNITED STATES POSTAL SERVICE**

whether USPS carries more or fewer under one pound parcels than, for example, United Parcel Service. Thus we do not know whether one carrier dominates the actual under one pound market. In our view "dominance" would reflect market shares of the same magnitude that United Parcel Service has of the one pound and over market.

- (c) I do not know.
- (d) The current maximum rate possible would be 84.3 cents per piece.
- (e) We have no information on what rates are actually paid for the shipment of parcels of any weight by UPS. The published UPS tariff is a meaningless document.
- (f) Yes.

CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
