**RESPONSE OF PUBLIC REPRESENTATIVES' WITNESS BROWN
TO DOUGLAS F. CARLSON INTERROGATORY DFC/PR-T1-5**

DFC/PR-T1-5.

Please estimate the percentage of ballots that voters mail from a city for which the Postal Service's delivery standard for First-Class Mail to the address on the ballot envelope is two days or more.

RESPONSE:

I am unable to provide this information. Currently, we know which city ballots are sent to, but are unable to track the city that the ballot was returned from. A ballot could be received at home in one city and dropped off in a postal box in a different city.
