(Issued October 4, 2010)

On October 1, 2010, the Postal Service filed a request for temporary waivers from periodic reporting of service performance measurement for various market dominant postal services, or components of postal services, pursuant to Commission Order No. 465.¹

Order No. 465 established a process for the Postal Service to achieve full compliance with all periodic service performance reporting requirements by the filing

¹ United States Postal Service Request for Temporary Waivers from Periodic Reporting of Service Performance Measurement, October 1, 2010 (Request); see *also* Order Establishing Final Rules Concerning Periodic Reporting of Service Performance Measurements and Customer Satisfaction, May 25, 2010, at 22-24 (Order No. 465).

date of the FY 2011 Annual Compliance Report. Order No. 465 at 18-24. As part of the process, the Commission directed the Postal Service to seek temporary waivers where it cannot immediately comply with specific reporting requirements. As a condition of granting any waiver, the Commission directed the Postal Service to develop and present implementation plans addressing each reporting requirement for which the Postal Service cannot provide the required information. The “plans at a minimum should provide an explanation of why a reporting requirement cannot be complied with, the steps necessary to come into compliance, and a timeline of events necessary to achieve compliance. Interim milestones shall be included in the plans where applicable such that both the Postal Service and the Commission can evaluate progress being made.” *Id.* at 23.

In the instant Request, the Postal Service seeks temporary waivers for First-Class Mail Flats at the district level, non-retail First-Class Mail Parcels, all categories of Standard Mail, Outside County Periodicals, non-retail Media Mail, Library Mail, Bound Printed Matter Parcels, and Stamp Fulfillment Services. Request at 1. The Postal Service also discusses what measurements it will report in the interim.

The Commission establishes Docket No. RM2011-1 for consideration of matters related to the proposed semi-permanent exception from periodic reporting of service performance measurement identified in the Postal Service’s Request.

Interested persons may submit comments on whether the Postal Service’s Request is consistent with the policies of 39 U.S.C. 3652(a)(2) and with the directions given in Order No. 465. Interested persons also may comment on interim measurement proposals. Comments are due no later than October 29, 2010. Reply comments are due no later than November 15, 2010. The Postal Service’s Request can be accessed via the Commission’s website (<http://www.prc.gov>).

The Commission appoints Emmett Rand Costich to serve as Public Representative in the captioned proceedings.

It is ordered:
