NOTICE OF PRICE ADJUSTMENT

Docket No. R2010-3

MOTION OF THE UNITED STATES POSTAL SERVICE FOR LATE
ACCEPTANCE OF DATA COLLECTION REPORT
(November 2, 2010)

On April 7, 2010, the Commission approved the Postal Service's plan to conduct a Standard Mail Pricing Initiative during the summer of 2010. The Commission required the Postal Service to file data an initial data collection report on November 1, 2010. The Postal Service hereby moves for late acceptance of its Data Collection Report. The proximate cause of the late response was the size of one of the attachments was too large to upload onto the Commission's website. Efforts to cure the situation pushed the filing past the 4:30 cutoff. The Postal Service submits, however, that no party should be prejudiced by this brief overnight delay.
