2. Competitive Products Billing Determinants – FY 2010 Quarter 4 (This part is **Non-Public);** and

3. International Products Billing Determinants – FY 2010 Quarter 4**.**

    a. International Market Dominant Products Billing Determinants -- FY 2010 Quarter 4 (This subpart is **Public**); and

As noted above, part 1 of the Billing Determinants for Quarter 4 (Market Dominant Products Billing Determinants) is public and may be posted on the Commission's internet web site. Part 2 (Competitive Products Billing Determinants) is confidential and non-public and should not be posted on the Commission's internet web site. The Postal Service has determined that the entire contents of this competitive products document should be withheld from public disclosure and that redaction of only parts would not be meaningful or practicable. Subpart 3a (International Market Dominant Products Billing Determinants) is public and may be posted on the Commission's web site. Subpart 3b (International Competitive Products and ICM Billing Determinants), however, is confidential and non-public and should not be posted on the Commission's web site. The Postal Service has determined that the entire contents of subpart 3b (International Competitive Products and ICM Billing Determinants) should be withheld from public disclosure, and that redaction of only parts would not be meaningful or practicable.

In my letter to the Commission of March 3, 2010, which transmitted the Billing Determinants for Quarter 1 of FY 2010, I enclosed, as Attachment 1, the Postal Service's "Application of the United States Postal Service for Non-Public Treatment of Materials." The Postal Service incorporates this application by reference here. References to Quarter 1 in the document should be read to refer to Quarter 3 of FY 2010. The application applies to all of the materials described above that the Postal Service has designated as non-public and for which it has requested confidentiality.

If you have any questions regarding this report or the discussion above, please call.

Sincerely,
