

**BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001**

In the Matter of:
University Station
Eugene, Oregon 97403
(Steven Shapiro, Petitioner)

Docket No. A2011-4

**AMERICAN POSTAL WORKERS UNION, AFL-CIO
EUGENE AREA LOCAL NO. 679
MOTION FOR LATE ACCEPTANCE
(December 23, 2010)**

The American Postal Workers Union, AFL-CIO, Eugene Area Local No. 679 (Local 679) moves for late acceptance of its Notice of Intervention. Local 679 has not previously participated in any proceedings before the Commission, but believes the importance of the instant docket warrants our participation. Interventions were to be filed by December 20, 2010, however, Local 679 is unfamiliar with Commission procedures and filing requirements and only recently discovered the electronic filing requirement and the necessity to establish an online account. The delay in filing the Notice of Intervention is regrettable, but Local 679 believes that no party will be prejudiced by the minimal delay.

Respectfully submitted,

Jim Kubli
President, Eugene Area Local No. 679
