of the Mailer under the Postage Payment through a Permit Imprint option has been deleted. As a consequence, all articles after Article 8 have been renumbered.

- A definition of “subsidiary and/or affiliate” is provided in Article 3, paragraph (7).
- Article 6 requires a customer using a USPS-approved PC Postage Provider as its payment intermediary to file PS Form 3152, Confirmation Services Certification or PS Form 5630, Shipment Confirmation Acceptance Notice, or a functional equivalent with its mailings. This is consistent with changes made in the GEPS contract template in the nonpublished rate docket currently before the Commission (Docket No. CP2011-45).
- The option for tendering the mail in Article 8, paragraph (6) has been revised.
- The article concerning Obligations of the Mailer, Article 8, includes additional paragraphs 10 and 11 which require the Mailer to provide information concerning the Mailer’s subsidiaries and affiliates and to submit certain reports to USPS.
- The negotiated minimum revenue commitment, as well as the penalty in the event that the Mailer does not meet its annualized minimum commitment, which are set forth in Article 9 reflect the negotiations of the parties.
- The term of the agreement, as set forth in Article 10, paragraph (1).

With regard to the GEPS agreement filed in this docket, the redactions on page 1, to the footers of each page, to **Article 29**, and to the signature block of the contract constitute the name or address of a postal patron whose identifying information may be withheld from mandatory public disclosure by virtue of 39 U.S.C. § 504(g)(1) and 39
