CHAIRMAN'S INFORMATION REQUEST NO. 1

(Issued January 7, 2011)

The Postal Service is requested to respond to the following questions to clarify its request to add Parcel Select Contract 1 to the competitive product list.¹ Responses are due no later than January 14, 2011.

1. Given the weight limit for each parcel under the instant contract, please provide the rationale for using only Standard Mail Parcel unit costs for the financial analysis of the instant Parcel Select contract rather than only Parcel Select unit costs or both sets of unit costs, as applicable.
2. Please provide a financial analysis of the contract using only FY 2010 Parcel Select unit costs or using both Standard Mail Parcel and Parcel Select unit costs, as applicable.

By the Chairman.
