WASHINGTON, DC 20268

JAN 10 2010

In the Matter of:

Holmes Mill, Ky. 40843
Post Office State ZIP Code

Docket No: A2011-6

Donie Hanklin, Petitioner(s)

RECEIVED
2011 JAN 10 P 1 15
POSTAL REGULATORY COMMISSION

PARTICIPANT STATEMENT

1. Petitioner(s) are appealing the Postal Service's Final Determination concerning the Holmes Mill post office. The Final Determination was posted December (date)

2. In accordance with applicable law, 39 U.S.C. § 404(b)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages 1-2 of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

We need to keep our post office for the following reasons:
It will take twelve or more miles for people to travel to another post office and gas is very expensive.
Some people in the community don't drive and are in poor health.
Crooked roads, icy roads in wintertime makes it dangerous to be on.

We need a place to receive and send packages, without driving twelve miles or more.

I feel like every Community should have a post office. Please Consider before making a final decision.
