NOTICE OF PRICE ADJUSTMENT

Docket No. R2011-2

UNITED STATES POSTAL SERVICE
NOTICE OF ERRATA TO USPS-R2011-2/5
(January 26, 2011)

The United States Postal Service hereby provides notice of errata to USPS-R2011-2/5 (Special Services workpapers). The workpapers inadvertently omitted the newest special service, Stamp Fulfillment Services. A new sheet for Stamp Fulfillment Services is added. Also, sheets "Prices" and "Change Calc" are changed to incorporate Stamp Fulfillment Services, with an impact on Cell D6 in the "Cap Amount and Bank" sheet. The result is to lower the Special Services price increase from 1.740 percent to 1.738 percent. Additionally, the "Customized Postage" sheet is revised to reflect the revenue of \$900,000 for FY 2010, consistent with the response to question 16(b) of Chairman's Information Request No. 1, filed January 24, 2011. The Customized Postage change has no other impact on the workpapers.

The revised workpapers are filed with this pleading. A revised Preface is also provided, with a summary of the changes at its end.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
