

SAVE THE UO Post Office

Dear Chair Goldway and members of the Postal Regulatory Commission,
I appeal the decision of the USPS to close the University of Oregon Post Office in December 2010
because its closure would impact me in the following way(s):

I can't afford to miss work or class to go to a post office farther away/with longer lines when I need to send or receive mail/packages.

I am an international student and send/receive large packages at the EMU Post Office that would be difficult or impossible to access if relocated.

I work in a department on campus that relies heavily on the services, close proximity, and affordability the EMU Post Office provides.

I have a P.O. box at the EMU Post Office that would be difficult or impossible to access if relocated.

I encounter essential deadlines related to issues such as financial aid and study abroad and depend on the affordable, timely turnaround and services I can only access through the EMU Post Office.

I can't afford to pay more for sending mail and shipping packages if a private mail service is used on campus.

Please remand the decision to close the Erb Memorial Union Post Office at the University of Oregon and help save a service upon which our community depends.

Sincerely, Debra Duwall

SAVE THE UO POST OFFICE!

Dear Chair Goldway and members of the Postal Regulatory Commission,
I appeal the decision of the USPS to close the University of Oregon Post Office in December 2010 because its closure would impact me in the following way(s):

- I can't afford to miss work or class to go to a post office farther away/with longer lines when I need to send or receive mail/packages.
- I am an international student and send/receive large packages at the EMU Post Office that would be difficult or impossible to access if relocated.
- I work in a department on campus that relies heavily on the services, close proximity, and affordability the EMU Post Office provides.
- I have a P.O. box at the EMU Post Office that would be difficult or impossible to access if relocated.
- I encounter essential deadlines related to issues such as financial aid and study abroad and depend on the affordable, timely turnaround and services I can only access through the EMU Post Office.
- I can't afford to pay more for sending mail, shipping packages, and/or renting a P.O. Box if the EMU Post Office is replaced by a private mail service.

Please remand the decision to close the Erb Memorial Union Post Office at the University of Oregon and help save a service upon which our community depends.

I can't afford to miss work or class to go to a post office farther away/with longer lines when I need to send or receive mail/packages.

I am an international student and send/receive large packages at the EMU Post Office that would be difficult or impossible to access if relocated.

I work in a department on campus that relies heavily on the services, close proximity, and affordability the EMU Post Office provides.

I have a P.O. box at the EMU Post Office that would be difficult or impossible to access if relocated.

I encounter essential deadlines related to issues such as financial aid and study abroad and depend on the affordable, timely turnaround and services I can only access through the EMU Post Office.

I can't afford to pay more for sending mail, shipping packages, and/or renting a P.O. Box if the EMU Post Office is replaced by a private mail service.

Please remand the decision to close the Erb Memorial Union Post Office at the University of Oregon and help save a service upon which our community depends.

I can't afford to miss work or class to go to a post office farther away/with longer lines when I need to send or receive mail/packages.

I am an international student and send/receive large packages at the EMU Post Office that would be difficult or impossible to access if relocated.

I work in a department on campus that relies heavily on the services, close proximity, and affordability the EMU Post Office provides.

I have a P.O. box at the EMU Post Office that would be difficult or impossible to access if relocated.

I encounter essential deadlines related to issues such as financial aid and study abroad and depend on the affordable, timely turnaround and services I can only access through the EMU Post Office.

I can't afford to pay more for sending mail, shipping packages, and/or renting a P.O. Box if the EMU Post Office is replaced by a private mail service.

Please remand the decision to close the Erb Memorial Union Post Office at the University of Oregon and help save a service upon which our community depends.
