Docket No. RM2011-5

CHAIRMAN'S INFORMATION REQUEST NO. 4

(Issued April 4, 2011)

To clarify the basis of Proposal Ten, the Postal Service is requested to provide a written response to the following questions. Answers should be provided on or before April 8, 2011.

1. The Postal Service distributes City Carrier In-Office activity to country groups on the basis of direct tallies. Please provide the rationale for not using both direct and mixed tallies.
2. The Postal Service distributes attributable costs for Supervisors in Cost Segment 2 to country groups in proportion to the distribution of corresponding Cost Segment 3 attributable costs. Please provide the rationale for this approach rather than using both the direct and mixed tallies for Supervisors.

By the Chairman.
