NOTICE OF PRICE ADJUSTMENT

Docket No. R2011-5

UNITED STATES POSTAL SERVICE NOTICE OF ERRATA TO NOTICE OF
MARKET-DOMINANT PRICE ADJUSTMENT
(May 16, 2011)

The United States Postal Service hereby provides notice of errata to its Notice of Market-Dominant Price Adjustment (“Notice”). In Appendix A of the Notice, the proposed Mail Classification Schedule, which was filed on April 12, 2011, did not reflect the April 17, 2011 price changes. The revised Appendix A, which is attached, reflects the updated prices. Also, the language in Appendix A has been changed from the following:

Provide a three percent discount on the per-piece price for commercial First-Class Mail and Standard Mail letters and flats sent using a permit imprint payment method, which include a two-dimensional mobile barcode inside or on the mailpiece, during the established program period, to mailers that comply with the eligibility requirements of the program.

to

Provide a three percent discount on the total postage for commercial First-Class Mail and Standard Mail letters, postcards and flats sent using a permit imprint payment method, which include a two-dimensional mobile barcode inside or on

the mailpiece, during the established program period, to mailers that comply with the eligibility requirements of the program.

in order to demonstrate that the three percent discount will be taken of the total postage for the commercial First-Class Mail and Standard Mail letters, postcards and flats eligible for the promotion as opposed to the per-piece charge and that postcards are not excluded from the promotion.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
