General Conditions to USPS Lease

1. CHOICE OF LAW

This Lease shall be governed by federal law.

2. RECORDING

Not Required

3. MORTGAGEE'S AGREEMENT

If there is now or will be a mortgage on the property which is or will be recorded prior to the recording of the Lease, the Landlord must notify the contracting officer of the facts concerning such mortgage and, unless in his sole discretion the contracting officer waives the requirement, the Landlord must furnish a Mortgagee's Agreement, which will consent to this Lease and shall provide that, in the event of foreclosure, mortgagee, successors, and assigns shall cause such foreclosures to be subject to the Lease.

4. ASSIGNMENTS

a. The terms and provisions of this Lease and the conditions herein are binding on the Landlord and the Postal Service, and all heirs, executors, administrators, successors, and assigns.

b. If this contract provides for payments aggregating $10,000 or more, claims for moneys due or to become due from the Postal Service under it may be assigned to a bank, trust company, or other financing institution, including any federal lending agency, and may thereafter be further assigned and reassigned to any such institution. Any assignment or reassignment must cover all amounts payable and must not be made to more than one party, except that assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in financing this contract. No assignment or reassignment will be recognized as valid and binding upon the Postal Service unless a written notice of the assignment or reassignment, together with a true copy of the instrument of assignment, is filed with:

1. the contracting officer; and

2. the surety or sureties upon any bond.

c. Assignment of this contract or any interest in this contract other than in accordance with the provisions of this clause will be grounds for termination of the contract for default at the option of the Postal Service.

d. Nothing contained herein shall be construed so as to prohibit transfer of ownership of the demised premises, provided that:

1. such transfer is subject to this Lease agreement;

2. both the original Landlord and the successor Landlord execute the standard *Certificate of Transfer of Title to Leased Property and Lease Assignment and Assumption* form to be provided by the USPS Contracting Officer; and in the case of new leased space projects, the lease may only be assigned or ownership of the property transferred following commencement of the fixed term, unless prior written consent is obtained from the Postal Service.

5. APPLICABLE CODES AND ORDINANCES

The Landlord, as part of the rental consideration, agrees to comply with all codes and ordinances applicable to the ownership and operation of the building in which the rented space is situated and to obtain all necessary permits and related items at no cost to the Postal Service. When the Postal Service or one of its contractors (other than the Landlord) is performing work at the premises, the Postal Service will be responsible for obtaining all necessary and applicable permits, related items, and associated costs.

6. SUBLEASE

The Postal Service may sublet all or any part of the premises or assign this lease but shall not be relieved from any obligation under this lease by reason of any subletting or assignment.

7. RESTORATION AND ALTERATIONS

a. Upon written notification by Landlord within 30 days of the expiration or termination of this Lease, the Postal Service shall restore the premises to a "broom clean" and usable condition, excepting the following: reasonable and ordinary wear and tear; and damages by the elements or by circumstances over which the Postal Service has no control. If Landlord provides the above notice, the Postal Service and Landlord shall negotiate and reach agreement on necessary items of restoration and the reasonable cost for restoration; the Postal Service shall pay Landlord this agreed-upon amount and shall have no further restoration duties under this Lease.

b. The Postal Service shall have the right to make alterations, attach fixtures and erect additions, structures or signs in or upon the premises hereby leased (provided such alterations, additions, structures, or signs shall not be detrimental to or inconsistent with the rights granted to other tenants on the property or in the building in which said premises are located); which fixtures, additions or structures so placed in, upon or attached to the said premises shall be and remain the property of the Postal Service and may be removed or otherwise disposed of by the Postal Service.

UNITED STATES POSTAL SERVICE.

General Conditions to USPS Lease

8. CLAIMS AND DISPUTES

a. This contract is subject to the Contract Disputes Act of 1978 (41 U.S.C. 601-613) ("the Act").

b. Except as provided in the Act, all disputes arising under or relating to this contract must be resolved under this clause.

c. "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. However, a written demand or written assertion by the Landlord seeking the payment of money exceeding $100,000 is not a claim under the Act until certified as required by subparagraph d below. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

d. A claim by the Landlord must be made in writing and submitted to the contracting officer for a written decision. A claim by the Postal Service against the Landlord is subject to a written decision by the contracting officer. For Landlord claims exceeding $100,000, the Landlord must submit with the claim the following certification:

> "I certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of my knowledge and belief, that the amount requested accurately reflects the contract adjustment for which the Landlord believes the Postal Service is liable, and that I am duly authorized to certify the claim on behalf of the Landlord."

The certification may be executed by any person duly authorized to bind the Landlord with respect to the claim.

e. For Landlord claims of $100,000 or less, the contracting officer must, if requested in writing by the Landlord, render a decision within 60 days of the request. For Landlord-certified claims over $100,000, the contracting officer must, within 60 days, decide the claim or notify the Landlord of the date by which the decision will be made.

f. The contracting officer's decision is final unless the Landlord appeals or files a suit as provided in the Act.

g. When a claim is submitted by or against a Landlord, the parties by mutual consent may agree to use an alternative dispute resolution (ADR) process to assist in resolving the claim. A certification as described in subparagraph d of this clause must be provided for any claim, regardless of dollar amount, before ADR is used.

h. The Postal Service will pay interest on the amount found due and unpaid from:

1. the date the contracting officer receives the claim (properly certified if required); or

2. the date payment otherwise would be due, if that date is later, until the date of payment.

i. Simple interest on claims will be paid at a rate determined in accordance with the Act.

j. The Landlord must proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the contracting officer.

9. HAZARDOUS/TOXIC CONDITIONS CLAUSE

"Asbestos containing building material" (ACBM) means any material containing more than 1% asbestos as determined by using the method specified in 40 CFR Part 763, Subpart E, Appendix E. "Friable asbestos material" means any ACBM that when dry, can be crumbled, pulverized, or reduced to powder by hand pressure.

The Landlord must identify and disclose the presence, location and quantity of all ACBM or presumed asbestos containing material (PACM) which includes all thermal system insulation, sprayed on and troweled on surfacing materials, and asphalt and vinyl flooring material unless such material has been tested and identified as non-ACBM. The Landlord agrees to disclose, to the best of its knowledge, any information concerning the presence of lead-based paint, radon above 4 pCi/L, and lead piping or solder in drinking water systems in the building, to the Postal Service.

Sites cannot have any contaminated soil or water above applicable federal, state or local action levels or undisclosed underground storage tanks. Unless due to the act or negligence of the Postal Service, if contaminated soil, water, underground storage tanks or piping or friable asbestos material or any other hazardous/toxic materials or substances as defined by applicable Local, State or Federal law are subsequently identified on the premises, the Landlord agrees to remove such materials or substances upon notification by the Postal Service at Landlord's sole cost and expense in accordance with EPA and/or State guidelines; prior to accomplishing this task, Landlord must seek written approval by the USPS Contracting Officer of the contractor and scope of work, such approval not to be unreasonably withheld. If ACBM is subsequently found in the building which reasonably should have been determined, identified, or known to the Landlord, the Landlord agrees to conduct, at Landlord's sole expense, an asbestos survey pursuant to the standards of the Asbestos Hazard Emergency Response Act (AHERA), establish an Operations and Maintenance (O&M) plan for asbestos management, and provide the survey report and plan to the Postal Service. If the Landlord fails to remove any friable asbestos or hazardous/toxic materials or substances, or fails to complete an AHERA asbestos survey and O&M plan, the Postal Service has the right to accomplish the work and deduct the cost plus administrative costs, from future rent payments or recover these costs from Landlord by other means, or may, at its sole option, cancel this Lease. In addition, the Postal Service may proportionally abate the rent for any period the premises, or any part thereof, are determined by the Postal Service to have been rendered unavailable to it by reason of such condition.

UNITED STATES POSTAL SERVICE.

General Conditions to USPS Lease

The Landlord hereby indemnifies and holds harmless the Postal Service and its officers, agents, representatives, and employees from all claims, loss, damage, actions, causes of action, expense, fees and/or liability resulting from, brought for, or on account of any violation of this clause.

The remainder of this clause applies if this Lease is for premises not previously occupied by the Postal Service.

By execution of this Lease the Landlord certifies:

a. that the property and improvements are free of all contamination from petroleum products or any hazardous/toxic or unhealthy materials or substances, including friable asbestos materials, as defined by applicable State or Federal law;

b. that there are no undisclosed underground storage tanks or associated piping, ACBM, radon, lead-based paint, or lead piping or solder in drinking water systems, on the property; and

c. it has not received, nor is it aware of, any notification or other communication from any governmental or regulatory entity concerning any environmental condition, or violation or potential violation of any local, state, or federal environmental statute or regulation, existing at or adjacent to the property.

10. FACILITIES NONDISCRIMINATION

a. By executing this Lease, the Landlord certifies that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform services at any location under its control where segregated facilities are maintained.

b. The Landlord will insert this clause in all contracts or purchase orders under this Lease unless exempted by Secretary of Labor rules, regulations, or orders issued under Executive Order 11246.

11. CLAUSES REQUIRED TO IMPLEMENT POLICIES, STATUTES, OR EXECUTIVE ORDERS

The following clauses are incorporated in this Lease by reference. The text of incorporated terms may be found in Appendix B of the Postal Service's *Purchasing Manual*, accessible at www.usps.com/business.

Clause 1-5, *Gratuities or Gifts* (January 1997)
Clause 1-6, *Contingent Fees* (January 1997)
Clause 9-3, *Davis-Bacon Act* (January 1997)[1]
Clause 9-7, *Equal Opportunity* (January 1997)[2]
Clause 9-13, *Affirmative Action for Handicapped Workers* (January 1997)[3]
Clause 9-14, *Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era* (January 1997)[4]
Clause B-25, *Advertising of Contract Awards* (January 1997)
Note: For purposes of applying the above standard clauses to this Lease, the terms "supplier," "contractor," and "lessor" are synonymous with "Landlord," and the term "contract" is synonymous with "Lease."

[1] For premises with net interior space in excess of 6,500 SF and involving construction work over $2,000.
[2] For leases aggregating payments of $10,000 or more.
[3] For leases aggregating payments of $10,000 or more.
[4] For leases aggregating payments of $25,000 or more.

Maintenance Rider
Landlord Responsibility

1. The Landlord shall, except as otherwise specified herein and except for damage resulting from the act or negligence of Postal Service agents or employees, maintain the demised premises, including the building and any and all equipment, fixtures, systems, and appurtenances, whether severable or non-severable, furnished by the Landlord under this Lease, in good repair and tenantable condition, during the continuance of the Lease. Landlord's duties include repair and replacement as necessary.

   Notwithstanding the above, the Postal Service will be responsible for regular cleaning of gutters and downspouts connected to the outer edge (i.e., the eaves area) of the roof; Landlord will be responsible for regular cleaning of any other gutters, downspouts, troughs, scuppers, roof drains, etc.

   For the purpose of so maintaining said premises and property, the Landlord may, at reasonable times, and upon reasonable notice to the facility manager, enter and inspect the same and make any necessary repairs thereto.

2. Landlord is responsible for inspection, prevention and eradication of termites and any other wood-eating insects and for repairs of any damage resulting therefrom during the continuance of the Lease.

3. Landlord shall paint all interior and exterior previously painted surfaces as follows: no later than six (6) months following the start of the lease, and at least once every five (5) years during the continuance of the lease unless required more often because of damage from fire or other casualty, or unless the time period is specifically modified in writing by the Contracting Officer. Landlord is required to apply only one coat of paint. USPS will be responsible for cost of additional coats of paint, including application costs. USPS will be responsible for movi ng furniture and equipment away from walls as required.

4. Any heating system furnished by Landlord must be properly sized for the facility, must be in good working order, and must be maintained and, if necessary, replaced by Landlord to ensure proper operation during the continuance of the Lease and in accordance with this Maintenance Rider; such system must be capable of providing a uniform temperature of at least 65 degrees Fahrenheit (65°F.) in all enclosed portions of the demised premises (excluding the rear vestibule) at all times. Regardless of whether Landlord is required by the Lease to provide fuel for a heating system, any investigative or remediation cost associated with a release of fuel from the system, including any fuel tank, shall be the responsibility of the Landlord, unless the release is caused by the act or negligence of the Postal Service or its agents. The Postal Service shall be responsible for regular replacement of filters.

   Boilers (heating and hot water supply) and unfired pressure vessels provided by the Landlord as part of the leased premises shall be maintained and, if necessary, replaced by the Landlord in accordance with ASME Boiler and Pressure Vessel Code, Sections IV, VI, and VIII; National Fire Prevention Association (NFPA)-70, National Electric Code; and/or ASME Safety Code No. CSD-1, Controls and Safety Devises for Automatically Fired Boilers; ASME A18.1, Safety Standard for Platform Lifts and Chairlifts; NFPA-54, National Fuel Gas Code; and NFPA-31, Oil Burning Equipment Code, as applicable, or as required by local ordinances. Current safety certificates issued by an organization recognized by the National Board of Boiler and Pressure Vessel Inspectors or a federal, state or municipal authority which has adopted the American National Standard Institute/American Society of Mechanical Engineers (ASME) Boiler and Vessel Code, must be provided by the Landlord for boilers and unfired pressure vessels. In the event local jurisdictions do not require periodic inspection of such equipment, the Postal Service shall have the right to conduct inspections in accordance with the aforesaid codes, and may issue safety certificates, as appropriate.

5. Any elevators, escalators and dumbwaiters provided by the Landlord as part of the leased premises shall be maintained, and, if necessary, replaced by the Landlord during the continuance of the Lease in accordance with ASME A17.1, Safety Code for Elevators, Escalators, Dumbwaiters, and Moving Walks; ASME A17.2, Elevator Inspectors Manual; ASME A17.3 Safety Code for Existing Elevators and Escalators; ASME A17.4, Emergency Evacuation Procedures for Elevators; and ASME A17.5, Elevator and Escalator Electrical Equipment. Landlord must ensure that current safety certificates for elevators, dumbwaiters and escalators are issued by an organization authorized to inspect in accordance with the ANSI/ASME Code for Elevators, Dumbwaiters and Escalators or appropriate federal, state or municipal authority. In the event local jurisdictions do not require periodic inspection of such equipment, the Postal Service shall have the right to conduct inspections in accordance with the aforesaid codes, and may issue safety certificates, as appropriate.

Landlord Responsibility

6. Any air-conditioning equipment furnished by Landlord must be properly sized for the facility, must be in good working order, and must be maintained and, if necessary, replaced by Landlord to ensure proper operation during the continuance of the Lease and in accordance with this Maintenance Rider; air-conditioning must be capable of providing a uniform temperature of no greater than 78 degrees Fahrenheit (78°F.) in all enclosed portions of the demised premises at all times. Landlord shall be responsible for servicing of the air-conditioning equipment during the continuance of the Lease, including, refrigerant as required for proper operation of the equipment. The Postal Service shall be responsible for regular replacement of filters.

7. Any electrical/power system furnished by Landlord must be properly sized for the facility, must be in good working order, and must be maintained and, if necessary, replaced by Landlord to ensure proper operation during the continuance of the Lease and in accordance with this Maintenance Rider.

8. Any wiring, including, but not limited to, wiring for the Electronic Security and Surveillance Equipment (ESS), Closed Circuit Television (CCTV), Very Small Aperture Terminal (VSAT), Criminal Investigation System (CIS), Intrusion Detection System (IDS), etc., installed by the Landlord shall be maintained, and if necessary, replaced by the Landlord during the continuance of the Lease. However, the Landlord shall not attempt any maintenance of, or repair of, or interfere with, the actual security, telephone, or telecommunications equipment, such as cameras, consoles, monitors, satellite dishes, telephone handsets, and Point-of-Service (POS) equipment.

9. Whether public or private water or sewer systems are provided, said systems are to be maintained and replaced by the Landlord during the continuance of the Lease, including any inspections that may be required.

10. If the demised premises or any portion thereof are damaged or destroyed by fire or other casualty, Acts of God, of a public enemy, riot or insurrection, vandalism, or are otherwise determined by the Postal Service to be unfit for use and occupancy, or whenever there is a need for maintenance, repair, or replacement which is the Landlord's obligation under this Maintenance Rider, the Postal Service will require the Landlord to rebuild or repair the premises as necessary to restore them to tenantable condition to the satisfaction of the Postal Service. The Postal Service will, except in emergencies, provide the Landlord with written notice stating a reasonable time period for completion of all necessary repairs. (A copy of any such notice shall be sent to the Landlord's mortgagee and any assignee of monies due or to become due under this Lease whose names and addresses have been furnished to the Postal Service by the Landlord. Failure to give such written notice to the Landlord or to the mortgagee or assignee shall not affect the Postal Service's rights to recover expended costs under this provision, provided that the costs expended by the Postal Service are reasonable in amount.) The Postal Service, acting through the Contracting Officer, may proportionately abate the rent for any period the premises, or any part thereof, are determined by the Postal Service to have been rendered untenantable, or unfit for use and occupancy, by reason of such condition.

    If the Landlord (or the mortgagee or assignee, on behalf of the Landlord) fails to prosecute the work with such diligence as will ensure its completion within the time specified in the notice (or any extension thereof as may be granted at the sole discretion of the Postal Service), or fails to complete the work within said time, the Postal Service shall have the right to perform the work (by contract or otherwise), and withhold the cost plus any administrative cost and/or interest, from rental payments due or to become due under this Lease. Alternatively, the Contracting Officer may, if the demised premises are determined to be untenantable or unfit for use or occupancy, with reasonable discretion, cancel this Lease in its entirety, without liability.

    The remedies provided in this section are non-exclusive and are in addition to any remedies available to the Postal Service under applicable law.

11 The Landlord must:

    a. comply with applicable Occupational Safety and Health Standards, title 29 Code of Federal Regulations (CFR) (including but not limited to Parts 1910 and 1926), promulgated pursuant to the authority of the Occupational Safety and Health Act of 1970 (OSHA); and

b. comply with any other applicable federal, state, or local regulation governing workplace safety to the extent they are not in conflict with a; and
c. take all other proper precautions to protect the health and safety of:

(1) any laborer or mechanic employed by the Landlord in performance of this agreement; and
(2) Postal Service employees; and
(3) the public.

The Landlord must include this clause in all subcontracts hereunder and require its inclusion in all subcontracts of a lower tier. The term "Landlord" as used in this clause in any subcontract must be deemed to refer to the subcontractor.

a. Definitions

Ad Valorem means according to the value of the property.
Property Tax Rate is an amount expressed as dollars and cents per $100.00 or per $1,000.00 of assessed value or as mills per $1.00 of assessed value as set by authorities for tax jurisdictions.
Real Property Taxes, as used in this clause, shall mean those taxes, including Ad Valorem taxes, special assessments, fees and charges, that are assessed against any or all taxable real property appearing on the assessment roll or list in a taxing authority's jurisdiction and that are identified by a taxing authority for the support of government activities within its jurisdiction, whether such activities are general or specific. Real Property Taxes also include administrative charges or fees imposed by a taxing authority for the support of its tax assessment and collection activities.

b. The Landlord agrees to pay all taxes of any kind, including Real Property Taxes, and charges and fees of every kind and nature levied on the demised premises.

c. The Postal Service will reimburse Landlord for paid Real Property Taxes, as defined above, only under the following terms:

1. Landlord may submit not more than one request for reimbursement in any calendar year, irrespective of the number of taxing authorities included; and reimbursement will be made **not more than one time annually by the Postal Service.**
2. No reimbursement will be made for fines, penalties, interest or costs imposed for late payment.
3. Reimbursement will be made only for paid taxes, less the maximum discount allowed by the taxing authority for prompt or early payment, regardless of whether Landlord actually received any such discount.
4. Reimbursement will be made only for taxes levied for periods of time within the term of this Lease.
5. In order to qualify for reimbursement, the tax bill as issued by the taxing authority must pertain only to the demised premises, and to no other real property.
6. **Landlord must provide copies of the front and back of the complete tax bill issued by the taxing authority,** along with satisfactory proof of payment. Satisfactory proof of payment shall be (i) a receipt for payment shown on the face of the tax bill, (ii) a copy of the front and back of the canceled payment check, (iii) a statement from a lender verifying payment of the tax, or (iv) other documentation satisfactory to the Postal Service.
7. Incomplete or improper requests for reimbursement will be returned to Landlord without payment.
8. **Landlord agrees to submit a request for reimbursement of taxes within 18 months after the close of the tax year. In the event Landlord fails to submit its request for reimbursement within that time period, the USPS is not required to reimburse paid taxes.**

d. The Landlord must promptly furnish to the Postal Service copies of all notices that may affect the valuation of the demised premises for Real Property Tax purposes or that may affect the levy or assessment of Real Property Taxes thereon. If Landlord does not timely furnish such notices relating to valuation changes or the levy or assessment of taxes or fails to meet any legal prerequisite for appeal and the Postal Service loses the right to contest the validity or the amount of the taxes, then the Postal Service shall be responsible to reimburse Landlord for only 75% of the reimbursable taxes due for the year involved.

Reimbursement of Paid Taxes

All notices required under this paragraph must be delivered or mailed, using certified mail with a return receipt or other verified method of delivery, within ten (10) days from the receipt thereof by the Landlord to:

CONTRACTING OFFICER
Eastern FSO
EASTERN FSO PO BOX 27497
GREENSBORO, NC 27498-1103

or to such other office as the Postal Service may later direct in writing.

e. The Postal Service may contest the validity of any valuation for Real Property Tax purposes or of any levy or assessment of any Real Property Taxes by appropriate proceedings either in the name of the Postal Service or of the Landlord or in the names of both. Notwithstanding any contest of valuation, levy, assessment, or Property Tax Rate, Landlord must pay under protest the Real Property Taxes involved when requested to do so by the Postal Service. The Landlord, upon reasonable notice and request by the Postal Service, must join in any proceedings, must cooperate with the Postal Service, and must execute and file any documents or pleadings as the Postal Service may require for such proceeding, provided the Landlord is reasonably satisfied that the facts and data contained therein are accurate. Landlord will not be responsible for the payment of penalties, costs, or legal expenses in connection with any protest or appeal proceedings brought by the Postal Service, and the Postal Service will indemnify and save harmless the Landlord from any such penalties, costs, or expenses. Landlord hereby authorizes the Postal Service as its agent to represent its interest in any appeal or protest proceeding authorized under this paragraph.

f. Landlord shall promptly notify the Postal Service of any appeal or other action it takes or initiates to adjust any valuation of the property, Property Tax Rate, or levy or assessment of Real Property Taxes. The Postal Service is entitled to any and all monies obtained through such actions or any other refunds or remissions of Real Property Taxes paid in any year subsequent to the commencement of the lease. If any such refunded or remitted monies are paid or delivered to Landlord, Landlord must immediately forward them to the Postal Service. If Landlord is informed that he is entitled to a refund or remission of monies paid as Real Property Taxes upon the submission of an application, Landlord will promptly make and file such application, and upon receipt of such refund or remission, immediately forward it to the Postal Service. The Postal Service reserves the right to offset refund and remission payments not so obtained or forwarded, against rental or other payments due the Landlord.

g. The Postal Service is entitled to the benefits of all tax exemptions or abatements authorized by law or regulation that may be available with respect to the demised premises. Landlord shall take all necessary steps to obtain such exemptions or abatements. The Postal Service reserves the right to offset against rental or other payments due the Landlord the amount or value of any abatement or exemption that would have been available if Landlord had properly applied for it, and any amount for which the Postal Service is not to be responsible under paragraph (d), above.

h. Nothing herein contained shall operate to waive or deprive the Postal Service of any rights, privileges or immunities it enjoys under law.

POSTAL SERVICE

July 10, 2009

[redacted]

Dear [redacted]

As you are aware, the increasingly turbulent economy has decreased mail volume substantially this past year, significantly affecting the U.S. Postal Service's revenue. As the advertising market softened, we saw declines in Standard and Periodicals Mail volumes. And as consumers reined in spending, package volumes also declined. Compounding the economic situation is the increasing decline in First-Class Mail attributed to electronic diversion – online bill paying, for example.

For Fiscal Year 2008 (October 1, 2007-September 30, 2008), these factors resulted in a mail volume loss of 9.5 billion pieces, or 4.5 percent, compared to the previous year. We have not experienced a decline of this magnitude in our history and the trend is continuing today. Our projections for this year are no more encouraging. It now appears volume decline for this year may exceed 20 billion pieces. From a peak of 213 billion pieces in 2006, we may handle only 180 billion pieces this year.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administrative functions.

Like mail volume, window transactions at our retail units have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Attached is a list of Stations and Branches in the Northern Ohio District that we will be reviewing.

Factors such as the impact on employees, service standards, cost savings, customer access, the environmental impact, real estate values and the long-term needs of the service will be taken into account during the review process. The Postal Service does not anticipate this review process to generate any changes this fiscal year. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized.

Should you have any questions, please call Victor Dubina, Communications Programs Specialist, at (216) 443-4596.

Sincerely,

Station/Branch Optimization
Frequently Asked Questions

Q. Why is the Postal Service consolidating offices?

A. As the economic downturn continues, the Postal Service faces a number of challenges due to declining mail volume and revenue. So far this fiscal year, the USPS is faced with a 12% decline in total mail volume and a revenue shortfall of nearly $2.3 billion. We are projecting to end FY 2009 with a more than $6 billion loss. In the face of such difficulties, the USPS is pursuing solutions and strategies to mitigate impacts. Efforts have focused on improving efficiencies and making sure the processing and delivery networks are as streamlined as possible through such activities as mail processing consolidations and carrier route adjustments. The USPS is also now reviewing station and branch operations at larger Postal facilities throughout the nation, focusing on areas where we have a number of offices in close proximity, to determine where consolidations are possible.

Q. Don't my tax dollars support the Postal Service?

A. The Postal Service is not supported by tax dollars and must meet expenses by the revenue it generates from the sale of its products and services. Any operational savings we generate contributes nit he long run to stable postage rates for customers.

Q. Why my office; why can't you study another office?

A. Review criteria include examining larger leased and owned post office stations and branches located in urban areas that are located close to one another. Factors such as impact on employees, service standards, cost savings, customer access, environmental impact, real estate values and long-term USPS needs are being taken into account during the review process. This office met the criteria to be reviewed.

Q. On the survey, you are asking me what I felt about my service being moved to another office. Is this just a formality and the decision already made to close this office?

A. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized. Offices studied may not necessarily be consolidated.

Q. When will a final decision be made?

A. The USPS does not anticipate this review process to generate any changes this fiscal year (which ends on September 30, 2009).

Q. I really like the service I get at my local office; can I expect the same level of service?

A. Courteous and helpful service will be provided at whichever office you go to. Special assistance will be provided as needed.

Q. If you close this office, will I have to change my address?

A. There will be no change in customer addresses. We will try to minimize any changes to customers who have P.O. Boxes, but a small number may need to change.

Q. What happens to the mail I put in the blue collection box?

A. Collection of mail and dispatch schedules remain the same. The labels on the collection boxes clearly indicate what the collection times are. In addition, customers may also place outgoing mail in their mailboxes to be collected and dispatched by the carrier.

Q. If you close this post office and my carrier has to move, he will have to travel further; won't that delay the delivery of my mail?

A. Mail delivery times will remain the same. Because delivery costs are one of our biggest expenses, we always look at the most efficient way to structure a delivery route. Your location on a carrier's line-of-travel determines the time of day mail is delivered.

Q. The parking lot at the Post Office you want me to use is in bad shape. How can you expect me to go there?

A. The conditions at that branch have been brought to the attention of our Facilities Service Office. Currently, because of our financial situation, we are limited on how many repairs we can make. New construction has been frozen and many repair projects are being delayed.

Q. The lines at the Post Office you want me to go to are long; why should we have to stand in line there when we didn't have to here?

A. Each office has peak times. We will bring your concern to the attention of the manager, and the Postmaster, so that the window operations are monitored and customers do not have an unreasonable wait to obtain services.

Q. This office always has a good collection of philatelic stamps and special issue stamps. Where do I go now?

A. The Postal Service offers a wide variety of philatelic and retail products, as well as special issue stamps. If the local office does not provide an adequate supply to meet your needs, you can ask your local manager to help you. You may also order philatelic products by going online to usps.com or by calling 1-800-STAMP24 (1-800-782-6724).

Q. If this building doesn't meet your needs, why can't you just build a new building?

A. In our current financial situation, all new construction is frozen; there is no money to build new buildings. Additionally, in the past few years, we have seen significant technological and customer behavior changes. Customers now access postal services in a variety of ways, including Automated Postal Centers, Stamps on Consignment, Contract Postal Units, *usps.com/shop,* Click-n-Ship, and Stamps by Mail. Today, nearly 30 percent of postal revenue is generated from alternative access points. Because more than 1.2 million people a day use usps.com for their Postal transactions, we are actually seeing less and less customer traffic in our offices.

Q. You don't really care about serving the community and you are going to leave our town without a Post Office?

A. We are interested in serving the needs of the community and your feedback is important to us. That is why we have gone out with a customer survey. The reality is that customers can access postal services in a variety of ways. From a retail perspective, we have quite a number of offices that are close to this one. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges. Your concerns and opinions will be factored in determining the best alternative form of effective and regular service.

Q. You keep cutting back on service and you keep raising our stamp prices. Isn't closing this office going to lead to just more of the same?

A. As the number of pieces we handle goes down, our revenue goes down, forcing us to find more ways to keep the Postal Service financially viable. The prices of stamps are capped to the rate of inflation by law, but our costs, especially health care cost increases, exceed the rate of inflation. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges.

Dear [redacted]:

As you are aware, the increasingly turbulent economy has decreased mail volume substantially this past year, significantly affecting the U.S. Postal Service's revenue. As the advertising market softened, we saw declines in Standard and Periodicals Mail volumes. And as consumers reined in spending, package volumes also declined. Compounding the economic situation is the increasing decline in First-Class Mail attributed to electronic diversion – online bill paying, for example.

For Fiscal Year 2008 (October 1, 2007-September 30, 2008), these factors resulted in a mail volume loss of 9.5 billion pieces, or 4.5 percent, compared to the previous year. We have not experienced a decline of this magnitude in our history and the trend is continuing today. Our projections for this year are no more encouraging. It now appears volume decline for this year may exceed 20 billion pieces. From a peak of 213 billion pieces in 2006, we may handle only 180 billion pieces this year.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administrative functions.

Like mail volume, window transactions at our retail units have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Attached is a list of Stations and Branches in the Northern Ohio District that we will be reviewing.

Factors such as the impact on employees, service standards, cost savings, customer access, the environmental impact, real estate values and the long-term needs of the service will be taken into account during the review process. The Postal Service does not anticipate this review process to generate any changes this fiscal year. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized.

Should you have any questions, please call Victor Dubina, Communications Programs Specialist, at (216) 443-4596.

Frequently Asked Questions

Q. Why is the Postal Service consolidating offices?

A. As the economic downturn continues, the Postal Service faces a number of challenges due to declining mail volume and revenue. So far this fiscal year, the USPS is faced with a 12% decline in total mail volume and a revenue shortfall of nearly $2.3 billion. We are projecting to end FY 2009 with a more than $6 billion loss. In the face of such difficulties, the USPS is pursuing solutions and strategies to mitigate impacts. Efforts have focused on improving efficiencies and making sure the processing and delivery networks are as streamlined as possible through such activities as mail processing consolidations and carrier route adjustments. The USPS is also now reviewing station and branch operations at larger Postal facilities throughout the nation, focusing on areas where we have a number of offices in close proximity, to determine where consolidations are possible.

Q. Don't my tax dollars support the Postal Service?

A. The Postal Service is not supported by tax dollars and must meet expenses by the revenue it generates from the sale of its products and services. Any operational savings we generate contributes nit he long run to stable postage rates for customers.

Q. Why my office; why can't you study another office?

A. Review criteria include examining larger leased and owned post office stations and branches located in urban areas that are located close to one another. Factors such as impact on employees, service standards, cost savings, customer access, environmental impact, real estate values and long-term USPS needs are being taken into account during the review process. This office met the criteria to be reviewed.

Q. On the survey, you are asking me what I felt about my service being moved to another office. Is this just a formality and the decision already made to close this office?

A. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized. Offices studied may not necessarily be consolidated.

Q. When will a final decision be made?

A. The USPS does not anticipate this review process to generate any changes this fiscal year (which ends on September 30, 2009).

Q. I really like the service I get at my local office; can I expect the same level of service?

A. Courteous and helpful service will be provided at whichever office you go to. Special assistance will be provided as needed.

Q. If you close this office, will I have to change my address?

A. There will be no change in customer addresses. We will try to minimize any changes to customers who have P.O. Boxes, but a small number may need to change.

Q. What happens to the mail I put in the blue collection box?

A. Collection of mail and dispatch schedules remain the same. The labels on the collection boxes clearly indicate what the collection times are. In addition, customers may also place outgoing mail in their mailboxes to be collected and dispatched by the carrier.

Q. If you close this post office and my carrier has to move, he will have to travel further; won't that delay the delivery of my mail?

A. Mail delivery times will remain the same. Because delivery costs are one of our biggest expenses, we always look at the most efficient way to structure a delivery route. Your location on a carrier's line-of-travel determines the time of day mail is delivered.

Q. The parking lot at the Post Office you want me to use is in bad shape. How can you expect me to go there?

A. The conditions at that branch have been brought to the attention of our Facilities Service Office. Currently, because of our financial situation, we are limited on how many repairs we can make. New construction has been frozen and many repair projects are being delayed.

Q. The lines at the Post Office you want me to go to are long; why should we have to stand in line there when we didn't have to here?

A. Each office has peak times. We will bring your concern to the attention of the manager, and the Postmaster, so that the window operations are monitored and customers do not have an unreasonable wait to obtain services.

Q. This office always has a good collection of philatelic stamps and special issue stamps. Where do I go now?

Station/Branch Optimization
Frequently Asked Questions

Q. Why is the Postal Service consolidating offices?

A. As the economic downturn continues, the Postal Service faces a number of challenges due to declining mail volume and revenue. So far this fiscal year, the USPS is faced with a 12% decline in total mail volume and a revenue shortfall of nearly $2.3 billion. We are projecting to end FY 2009 with a more than $6 billion loss. In the face of such difficulties, the USPS is pursuing solutions and strategies to mitigate impacts. Efforts have focused on improving efficiencies and making sure the processing and delivery networks are as streamlined as possible through such activities as mail processing consolidations and carrier route adjustments. The USPS is also now reviewing station and branch operations at larger Postal facilities throughout the nation, focusing on areas where we have a number of offices in close proximity, to determine where consolidations are possible.

Q. Don't my tax dollars support the Postal Service?

A. The Postal Service is not supported by tax dollars and must meet expenses by the revenue it generates from the sale of its products and services. Any operational savings we generate contributes nit he long run to stable postage rates for customers.

Q. Why my office; why can't you study another office?

A. Review criteria include examining larger leased and owned post office stations and branches located in urban areas that are located close to one another. Factors such as impact on employees, service standards, cost savings, customer access, environmental impact, real estate values and long-term USPS needs are being taken into account during the review process. This office met the criteria to be reviewed.

Q. On the survey, you are asking me what I felt about my service being moved to another office. Is this just a formality and the decision already made to close this office?

A. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized. Offices studied may not necessarily be consolidated.

Q. When will a final decision be made?

A. The USPS does not anticipate this review process to generate any changes this fiscal year (which ends on September 30, 2009).

Q. I really like the service I get at my local office; can I expect the same level of service?

A. Courteous and helpful service will be provided at whichever office you go to. Special assistance will be provided as needed.

Q. If you close this office, will I have to change my address?

A. There will be no change in customer addresses. We will try to minimize any changes to customers who have P.O. Boxes, but a small number may need to change.

Q. What happens to the mail I put in the blue collection box?

A. Collection of mail and dispatch schedules remain the same. The labels on the collection boxes clearly indicate what the collection times are. In addition, customers may also place outgoing mail in their mailboxes to be collected and dispatched by the carrier.

Q. If you close this post office and my carrier has to move, he will have to travel further; won't that delay the delivery of my mail?

A. Mail delivery times will remain the same. Because delivery costs are one of our biggest expenses, we always look at the most efficient way to structure a delivery route. Your location on a carrier's line-of-travel determines the time of day mail is delivered.

Q. The parking lot at the Post Office you want me to use is in bad shape. How can you expect me to go there?

A. The conditions at that branch have been brought to the attention of our Facilities Service Office. Currently, because of our financial situation, we are limited on how many repairs we can make. New construction has been frozen and many repair projects are being delayed.

Q. The lines at the Post Office you want me to go to are long; why should we have to stand in line there when we didn't have to here?

A. Each office has peak times. We will bring your concern to the attention of the manager, and the Postmaster, so that the window operations are monitored and customers do not have an unreasonable wait to obtain services.

Q. This office always has a good collection of philatelic stamps and special issue stamps. Where do I go now?

A. The Postal Service offers a wide variety of philatelic and retail products, as well as special issue stamps. If the local office does not provide an adequate supply to meet your needs, you can ask your local manager to help you. You may also order philatelic products by going online to usps.com or by calling 1-800-STAMP24 (1-800-782-6724).

Q. If this building doesn't meet your needs, why can't you just build a new building?

A. In our current financial situation, all new construction is frozen; there is no money to build new buildings. Additionally, in the past few years, we have seen significant technological and customer behavior changes. Customers now access postal services in a variety of ways, including Automated Postal Centers, Stamps on Consignment, Contract Postal Units, *usps.com/shop*, Click-n-Ship, and Stamps by Mail. Today, nearly 30 percent of postal revenue is generated from alternative access points. Because more than 1.2 million people a day use usps.com for their Postal transactions, we are actually seeing less and less customer traffic in our offices.

Q. You don't really care about serving the community and you are going to leave our town without a Post Office?

A. We are interested in serving the needs of the community and your feedback is important to us. That is why we have gone out with a customer survey. The reality is that customers can access postal services in a variety of ways. From a retail perspective, we have quite a number of offices that are close to this one. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges. Your concerns and opinions will be factored in determining the best alternative form of effective and regular service.

Q. You keep cutting back on service and you keep raising our stamp prices. Isn't closing this office going to lead to just more of the same?

A. As the number of pieces we handle goes down, our revenue goes down, forcing us to find more ways to keep the Postal Service financially viable. The prices of stamps are capped to the rate of inflation by law, but our costs, especially health care cost increases, exceed the rate of inflation. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges.

Dear [redacted]:

As you are aware, the increasingly turbulent economy has decreased mail volume substantially this past year, significantly affecting the U.S. Postal Service's revenue. As the advertising market softened, we saw declines in Standard and Periodicals Mail volumes. And as consumers reined in spending, package volumes also declined. Compounding the economic situation is the increasing decline in First-Class Mail attributed to electronic diversion – online bill paying, for example.

For Fiscal Year 2008 (October 1, 2007-September 30, 2008), these factors resulted in a mail volume loss of 9.5 billion pieces, or 4.5 percent, compared to the previous year. We have not experienced a decline of this magnitude in our history and the trend is continuing today. Our projections for this year are no more encouraging. It now appears volume decline for this year may exceed 20 billion pieces. From a peak of 213 billion pieces in 2006, we may handle only 180 billion pieces this year.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administrative functions.

Like mail volume, window transactions at our retail units have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Attached is a list of Stations and Branches in the Northern Ohio District that we will be reviewing.

Factors such as the impact on employees, service standards, cost savings, customer access, the environmental impact, real estate values and the long-term needs of the service will be taken into account during the review process. The Postal Service does not anticipate this review process to generate any changes this fiscal year. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized.

It now appears volume decline for this year may exceed 20 billion pieces. From a peak of 213 billion pieces in 2006, we may handle only 180 billion pieces this year.

We look continually, as a normal course of business, for ways to reduce costs. We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administrative functions.
The options customers have as to where and how to conduct their postal business has increased exponentially; these options include usps.com®, Automated Postal Center®, Stamps by Mail®, stamps on consignment, and contract postal units, among many, beyond just the local Postal branch office. Like mail volume, window transactions at our retail units have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Locally, we will be studying the Maple Valley, East Akron, Downtown and Chapel Hill Mall to see if operations could be consolidated into another nearby office.

Factors such as the impact on employees, service standards, cost savings, customer access, the environmental impact, real estate values and the long-term needs of the service will be taken into account during the review process. The Postal Service does not anticipate this review process to generate any changes this fiscal year (which ends on September 30, 2009). No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized.

Dear Postal Customer:

In an effort to operate more efficiently, the US Postal Service will be conducting a review of Postal operations at this office with the possibility of consolidating this station or branch into another nearby facility, in this case Akron Main Office Station, 675 Wolf Ledges Parkway. As a part of this review, we would like your opinion concerning how you access postal services.

I invite you to complete the attached questionnaire and return it to a postal retail associate or mail it to the address provided on the questionnaire by July 25, 2009. All returned questionnaires will become part of our official record. Additionally, for your information, attached find answers to some frequently asked questions.

Thank you for your assistance.

Station/Branch Optimization
Frequently Asked Questions

Q. Why is the Postal Service consolidating offices?

A. As the economic downturn continues, the Postal Service faces a number of challenges due to declining mail volume and revenue. So far this fiscal year, the USPS is faced with a 12% decline in total mail volume and a revenue shortfall of nearly $2.3 billion. We are projecting to end FY 2009 with a more than $6 billion loss. In the face of such difficulties, the USPS is pursuing solutions and strategies to mitigate impacts. Efforts have focused on improving efficiencies and making sure the processing and delivery networks are as streamlined as possible through such activities as mail processing consolidations and carrier route adjustments. The USPS is also now reviewing station and branch operations at larger Postal facilities throughout the nation, focusing on areas where we have a number of offices in close proximity, to determine where consolidations are possible.

Q. Don't my tax dollars support the Postal Service?

A. The Postal Service is not supported by tax dollars and must meet expenses by the revenue it generates from the sale of its products and services. Any operational savings we generate contributes nit he long run to stable postage rates for customers.

Q. Why my office; why can't you study another office?

A. Review criteria include examining larger leased and owned post office stations and branches located in urban areas that are located close to one another. Factors such as impact on employees, service standards, cost savings, customer access, environmental impact, real estate values and long-term USPS needs are being taken into account during the review process. This office met the criteria to be reviewed.

Q. On the survey, you are asking me what I felt about my service being moved to another office. Is this just a formality and the decision already made to close this office?

A. No decisions will be made regarding which, if any, facilities will be consolidated until these reviews are finalized. Offices studied may not necessarily be consolidated.

Q. When will a final decision be made?

A. The USPS does not anticipate this review process to generate any changes this fiscal year (which ends on September 30, 2009).

Q. I really like the service I get at my local office; can I expect the same level of service?

A. Courteous and helpful service will be provided at whichever office you go to. Special assistance will be provided as needed.

Q. If you close this office, will I have to change my address?

A. There will be no change in customer addresses. We will try to minimize any changes to customers who have P.O. Boxes, but a small number may need to change.

Q. What happens to the mail I put in the blue collection box?

A. Collection of mail and dispatch schedules remain the same. The labels on the collection boxes clearly indicate what the collection times are. In addition, customers may also place outgoing mail in their mailboxes to be collected and dispatched by the carrier.

Q. If you close this post office and my carrier has to move, he will have to travel further; won't that delay the delivery of my mail?

A. Mail delivery times will remain the same. Because delivery costs are one of our biggest expenses, we always look at the most efficient way to structure a delivery route. Your location on a carrier's line-of-travel determines the time of day mail is delivered.

Q. The parking lot at the Post Office you want me to use is in bad shape. How can you expect me to go there?

A. The conditions at that branch have been brought to the attention of our Facilities Service Office. Currently, because of our financial situation, we are limited on how many repairs we can make. New construction has been frozen and many repair projects are being delayed.

Q. The lines at the Post Office you want me to go to are long; why should we have to stand in line there when we didn't have to here?

A. Each office has peak times. We will bring your concern to the attention of the manager, and the Postmaster, so that the window operations are monitored and customers do not have an unreasonable wait to obtain services.

Q. This office always has a good collection of philatelic stamps and special issue stamps. Where do I go now?

A. The Postal Service offers a wide variety of philatelic and retail products, as well as special issue stamps. If the local office does not provide an adequate supply to meet your needs, you can ask your local manager to help you. You may also order philatelic products by going online to usps.com or by calling 1-800-STAMP24 (1-800-782-6724).

Q. If this building doesn't meet your needs, why can't you just build a new building?

A. In our current financial situation, all new construction is frozen; there is no money to build new buildings. Additionally, in the past few years, we have seen significant technological and customer behavior changes. Customers now access postal services in a variety of ways, including Automated Postal Centers, Stamps on Consignment, Contract Postal Units, *usps.com/shop,* Click-n-Ship, and Stamps by Mail. Today, nearly 30 percent of postal revenue is generated from alternative access points. Because more than 1.2 million people a day use usps.com for their Postal transactions, we are actually seeing less and less customer traffic in our offices.

Q. You don't really care about serving the community and you are going to leave our town without a Post Office?

A. We are interested in serving the needs of the community and your feedback is important to us. That is why we have gone out with a customer survey. The reality is that customers can access postal services in a variety of ways. From a retail perspective, we have quite a number of offices that are close to this one. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges. Your concerns and opinions will be factored in determining the best alternative form of effective and regular service.

Q. You keep cutting back on service and you keep raising our stamp prices. Isn't closing this office going to lead to just more of the same?

A. As the number of pieces we handle goes down, our revenue goes down, forcing us to find more ways to keep the Postal Service financially viable. The prices of stamps are capped to the rate of inflation by law, but our costs, especially health care cost increases, exceed the rate of inflation. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges.

Dear [redacted]

As you are aware, the increasingly turbulent economy has decreased mail volume substantially this past year, significantly affecting the U.S. Postal Service's revenue. As the advertising market softened, we saw declines in Standard and Periodicals Mail volumes. And as consumers reined in spending, package volumes also declined. Compounding the economic situation is the increasing decline in First-Class Mail attributed to electronic diversion – online bill paying, for example.

For Fiscal Year 2008 (October 1, 2007-September 30, 2008), these factors resulted in a mail volume loss of 9.5 billion pieces, or 4.5 percent, compared to the previous year. We have not experienced a decline of this magnitude in our history and the trend is continuing today. Our projections for this year are no more encouraging. It now appears volume decline for this year may exceed 20 billion pieces. From a peak of 213 billion pieces in 2006, we may handle only 180 billion pieces this year.

Customers now access postal services in a variety of ways, including Automated Postal Centers, Stamps on Consignment, Contract Postal Units, *usps.com/shop,* Click-n-Ship, and Stamps by Mail. Today, nearly 30 percent of postal revenue is generated from alternative access points. Because more than 1.2 million people a day use usps.com for their Postal transactions, we are actually seeing less and less customer traffic in our offices.

Q. You don't really care about serving the community and you are going to leave our town without a Post Office?

A. We are interested in serving the needs of the community and your feedback is important to us. That is why we have gone out with a customer survey. The reality is that customers can access postal services in a variety of ways. From a retail perspective, we have quite a number of offices that are close to this one. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges. Your concerns and opinions will be factored in determining the best alternative form of effective and regular service.

Q. You keep cutting back on service and you keep raising our stamp prices. Isn't closing this office going to lead to just more of the same?

A. As the number of pieces we handle goes down, our revenue goes down, forcing us to find more ways to keep the Postal Service financially viable. The prices of stamps are capped to the rate of inflation by law, but our costs, especially health care cost increases, exceed the rate of inflation. By consolidating functions, adjusting delivery routes and restructuring administrative and processing operations, the USPS becomes a more efficient and effective organization in the face of serious financial challenges.

APPENDIX A

The numerous designations within the National Park System sometime confuse visitors. The names are created in the Congressional legislation authorizing the sites or by the president, who proclaims "national monuments" under the Antiquities Act of 1906. Many names are descriptive – lakeshores, seashores, battlefields --but others cannot be neatly categorized because of the diversity of resources within them. In 1970, Congress elaborated on the 1916 National Park Service Organic Act, saying all units of the system have equal legal standing in a national system.

National Park [NP]
These are generally large natural places having a wide variety of attributes, at times including significant historic assets. Hunting, mining and consumptive activities are not authorized.

National Monument [NM]
The Antiquities Act of 1906 authorized the President to declare by public proclamation landmarks, structures, and other objects of historic or scientific interest situated on lands owned or controlled by the government to be national monuments.

National Historic Site [NHS]
Usually, a national historic site contains a single historical feature that was directly associated with its subject. Derived from the Historic Sites Act of 1935, a number of historic sites were established by secretaries of the Interior, but most have been authorized by acts of Congress.

National Historic Park [NHP]
This designation generally applies to historic parks that extend beyond single properties or buildings.

National Memorial [NMem]
A national memorial is commemorative of a historic person or episode; it need not occupy a site historically connected with its subject.

National Battlefield [NB]
This general title includes national battlefield, national battlefield park, national battlefield site, and national military park. In 1958, an NPS committee recommended national battlefield as the single title for all such park lands.

Other Designations [OD]
Some units of the National Park System bear unique titles or combinations of titles, like the White House.

Subject: Ellet bus schedule

Dan,
I spoke with Metro.
They said the number 30 bus services the East Akron Area.
Customers would catch the number 30, then take the number 5 or 6 to the Ellet area.
The number 5 bus has a stop on Abington, which is right next to our entrance.
The number 6 bus has a stop at the top of Wedgewood and Canton, which is approximately 200 yards from the Ellet Post Office.
If you need more specific info, you can talk to the route planner. His number is 330-762-7267 ext 3210.
They said to keep in mind that seasonal changes are made.

Thank you,
Leanne

UNITED STATES POSTAL SERVICE

April 11, 2011

Customer at: Akron – East Station
1763 Goodyear Blvd.
Akron, Ohio 44305

This is to inform you of the U.S. Postal Service's decision to close the Akron – East Station located at 1763 Goodyear Blvd., in Akron, Ohio 44305. We advised on July 10, 2009 of our intent to conduct a review of our retail network. Operations at the Akron – East Station will cease at the close of business, June 17, 2011; operations will be moved to the Akron – South Arlington Station located at 1237 South Arlington St., Akron, Ohio 44306

Because of the drastic decline in mail volume, the Postal Service is in a fiscal crisis and must take action to reduce the size of its retail and delivery network. By consolidating, streamlining and adjusting our operations, the Postal Service improves its efficiency and viability.

I want to assure you that the community's input was received and carefully considered before making this decision. Ultimately, based on all of the factors involved, the decision was made to proceed with the closure.

Local mail delivery will not be affected by this move. Full retail services will still be available in neighboring offices and our customers will continue to receive the same excellent service they always have. Customers with "Left Notice Slips" will be able to pick up these items at the Akron – South Arlington Station. The Post Offices, stations or branches nearest to the Akron – East Station are located at:

- Ellet Station 2390 Wedgewood Dr., Akron, Ohio 44312
- Tallmadge Post Office 162 Northeast Ave., Tallmadge, Ohio 44278
- South Arlington Station 1237 South Arlington St., Akron, Ohio 44306

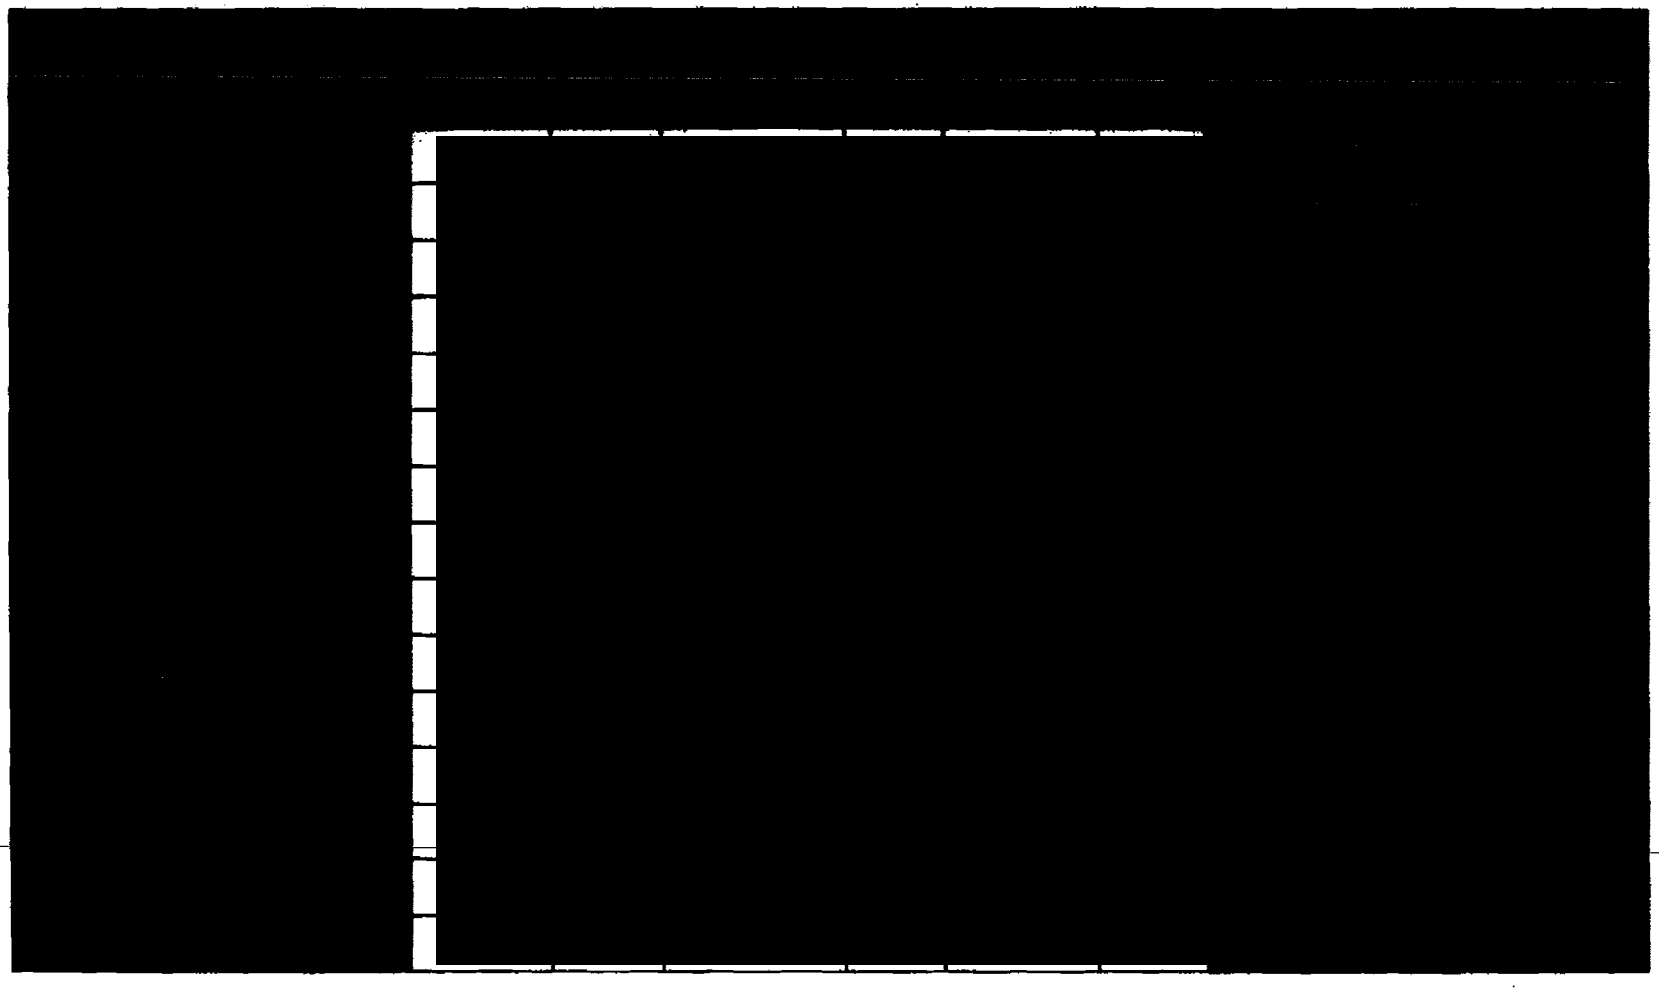
However, a trip to the Post Office can be skipped altogether and you can purchase stamps and shipping labels online using the Postal Service's website, usps.com. You can also request free package pickup at usps.com. The Postal Service will pick up packages during regular mail delivery the next business day – and, unlike other shipping companies, there is no fee for this service. Postage stamps can also be purchased at 1.800.STAMP 24, thousands of banking ATMs and in more than 55,000 retail outlets across the nation.

If you have questions, or need additional information, please contact Victor Dubina, at (216) 443-4596.

Sincerely,

Todd Hawkins
District Manager

Table 5. Untimely Discontinuance Decision Costs



[20] Annual savings include retail salaries and fringe benefits, leases, utilities, maintenance, and transportation minus any additional costs to be absorbed by gaining facilities.
[21] One-time costs include building alterations and lease buyouts.

UNITED STATES POSTAL SERVICE

Postal Customer Questionnaire Analysis

Questionnaires were distributed to all post office box customers (211) of the East Akron on Tuesday July 14, 2009. Additionally, questionnaires were available at the counter line (100) to walk-in retail customers during the survey period.

A. Number of Questionnaires

Total questionnaires distributed	311
Favorable to proposal	0
Unfavorable to proposal	34
Expressing no opinion	60
Total questionnaires received	94

B. Postal Concerns

The following postal concerns were expressed:

1. **Concern:** Having to change their address along with the cost involved to do so.

Response: Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required. You would be able to retain your current post office box address.

Response: To reiterate you would be able to keep your same post office box address and convenient access to your mail.

2. **Concern:** Customers were concerned for the senior citizens in the area

Response: Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

Response: The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

3. **Concern:** Customers expressed desire for East Akron Station to stay the same.

Response: : We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews

4. **Concern:** Customer concern being homebound.

Response: Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup. Changes in types of delivery are considered where existing methods would impose an extreme physical hardship for an individual customer. Please check with your postmaster if you feel you fall into this category.

5. **Concern:** Customer concern East Akron is in walking distance and lack of a car.

Response: The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

6. **Concern:** Customer concerned about long lines

Response: Many of our stations and branches serve large communities and have a heavy retail work load. This concern has been brought to the attention of the surrounding managers so they can monitor window operations and ensure that customers do not have an unreasonable wait to obtain services.

7. **Concern:** Customer concerned refund of box fees

Response: Should you decide to surrender you post office box the sales service associates will be there to assist you.

8. **Concern:** Customer concern for safety in the South Arlington area.

Response: I realize that with change there is concern. In the past two years there haven't been any reports of security issues on the premises of the South Arlington Station.

9. **Concern:** Customer concern about inconvenience.

Response: Take advantage of your carrier service. It to is an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

Response: As a small business owner we invite you to click on to www.usps.com/business and discover how to make your shipping experience easier and more profitable with click n ship and package pick up.

10. **Concern :** Customer will close p o box if consolidation goes through.

Response Carrier service is also an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

C. Nonpostal Concerns

1. **Concern:** Customers concern for a detrimental effect on the business community.

Response: Questionnaire responses indicate that customers will continue to use local businesses if the East Akron Station is discontinued. Most businesses in a community do not depend on the location of the post office, but on the provision of effective and regular postal services.

Post Office New Deal Artwork

Most of the Post Office works of art were funded through commissions under the Treasury Department's Section of Painting and Sculpture (later known as The Section of Fine Arts) and not the WPA.

> **"Often mistaken for WPA art, post office murals were actually executed by artists working for the Section of Fine Arts. Commonly known as "the Section," it was established in 1934 and administered by the Procurement Division of the Treasury Department. Headed by Edward Bruce, a former lawyer, businessman, and artist, the Section's main function was to select art of high quality to decorate public buildings if the funding was available. By providing decoration in public buildings, the art was made accessible to all people."** ***from "Articles from EnRoute : Off The Wall: New Deal Post Office Murals" by Patricia Raynor***

Unless indicated, works of art are located in the US Post Office building.

TIM RYAN
AND / OR
POST MASTER

IN THE YEAR 2008 I SUFFERED GREAT PERSONAL AS WELL AS FINANCIAL LOSS, A.K.A. FORECLOSURE DIVORCE AND LOSS OF MY FATHER.

ALSO I LOST MY CAR. ONE OF THE THINGS THAT ATTRACTED ME TO GOODYEAR HTS. WARD 10 WAS THE CLOSENESS OF THE POST OFFICE

IF THIS BRANCH IS CLOSED AND TRANFERED TO S. ARLINGTON, IT WILL BE (2) BUS TRANSFER EACH WAY AND WITH WINTER COMING AN ADDITIONAL COST OF A LARGER P.O. BOX

I AM ON A FIXED INCOME DUE TO A HEART CONDITION. WITH RISING COSTS IN MEDS. AS WELL AS OTHER CONSUMER GOODS. THIS WONT WORK FOR ME.

IN THE YEAR I HAVE BEEN HERE I HAVE FOUND THIS AREA TO BE A PROUD BUT OLDER COMMUNITY.

A SYMBOL OF PRIDE IN THIS COMMUNTY IS THE MURIEL (WHICH AMONG OTHERS FEATURES THIS POST OFFICE)

ALSO LET US NOT FORGET GOODYEARS INTERNATIONAL HEADQUATERS AS WELL AS HOTEL AND OTHER BUSINESS'S IN THIS WARD. WOULD IT INSPIRE YOU TO TRAVEL ACROSS TOWN TO PURCHASE STAMPS OR SHIP A PACKAGE? I DONT THINK SO.

TO HELP OUT WITH THIS POTENTIAL PROBLEM I OFFERED OUR COUNCIL

WOMAN A DIFFERENT PLAN, TO GET YOU IN THE LOOP. THE PLAZA ACROSS THE STREET HAS AN OPEN BUILDING, YOU COULD MOVE YOUR FRONT DESK AS WELL AS P.O. BOXES THERE AND STILL SERVE THIS WARD 10 AREA. TO THIS TIME AND TO THE BEST OF MY KNOWLEDGE THE OWNER JOE BISHEIMER HAS NOT BEEN CONTACTED, HE IS RECEIPTIVE OF THIS IDEA, AS I'M TOLD.

PLEASE TAKE THE HERITAGE, PRIDE SUPPORT, AS WELL AS THIS ALTERNATIVE SUGGESTION INTO PLAY BEFORE A FINAL DECISION IS RENDERED.

THANK YOU; [redacted]

KEEP OUR BRANCH OPEN!

Dear Mr. Myers:

I have been a resident of Goodyear Heights in Akron, Ohio for 53 years. Being retired th last 3 years, finds me at my local post office branch in Goodyear Heights at all hours of the day - it is always busy.

During my recent phone conversation with Victor Dubina, I learned branches will be closed based on the quantity of mail they process The computer age has affected the U.S.P.S.

Here is my question: if you close the local/ neighborhood USPS offices, it will not be convenient for folks who have to travel farther, then they will turn to the Interne & other ways to do their business - your business will be reduced even more!

THANK YOU SO MUCH FOR NOT FIRING ANY DISPLACED EMPLOYEES.

2. &3.

I spoke with Development Engineering Manager [redacted] from the City of Akron's Department of Economic Development about potential expected growth in the 44305 area. Mr. Beckert informed me that the "Goodyear Redevelopment" project is the only expected growth in the East Akron area. The project involves a Stewart Lipkar who purchased and rehabilitated several commercial buildings. Many of these buildings will be sold or rented to Goodyear Tire after rehabilitation with the hopes of attracting many more commercial businesses to the area. Mr. Beckert expects to see the results of this project in 3 to 5 years. He does not expect to see any growth in housing developments in the 44305 area.

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

RE:: concerning the move of East Akron/Goodyear Post Office

i will NOT utilize the Arlington site, it is not safe in that area.

Why cant those east of goodyear blvd go to Ellet site?

Everytime i go to Goodyear site, there have been many

people there waiting to be served, with the exception of

one man, all the employees have been really helpful. He is very

rude and seems not to understand who pays his salary...

[redacted]

I have been using Goodyear Office
for over 30 yrs. What about
elder people who have no way
to get to S. ARLINGTON. A lot of elder
folks walk to Goodyear.

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps. The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station	Monday – Friday	8:30 am – 5:00 pm
2390 Wedgewood Dr. .	Saturday	8:30 am – 12:00 noon
Akron, Ohio 44312-9998		

Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the manager.

I realize that with change there is concern. In the past two years there haven't been any reports of security issues on the premises of the South Arlington Station. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required. You would be able to retain your current post office box address.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station	Monday – Friday	8:30 am – 5:00 pm
2390 Wedgewood Dr. .	Saturday	8:30 am – 12:00 noon
Akron, Ohio 44312-9998		

Take advantage of our carrier service. It to, is an option that is beneficial because the carrier can provide delivery to your business mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. In the past two years there haven't been any reports of security issues on the premises of the South Arlington Station. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

2390 Wedgewood Dr. .	Saturday	8:30 am – 12:00 noon
Akron, Ohio 44312-9998		

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

I use the facilities at this location on a regular basis. Because my work requires mailings within 24 hrs. For security, they request that we not use home or outside mailboxes. I find this branch the most convenient and easily accessible. I can walk to it within 5-10 minutes. I buy my book stamps from this location each month. I have found the employees to be helpful & friendly whenever I have needed anything.

I would request that you not close the East Akron Goodyear Heights Branch.

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Take advantage of your carrier service. It to is an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required. You would be able to retain your current post office box address.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station	Monday – Friday	8:30 am – 5:00 pm
2390 Wedgewood Dr. .	Saturday	8:30 am – 12:00 noon
Akron, Ohio 44312-9998		

Take advantage of your carrier service. It to is an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers

POSTAL SERVICE

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Take advantage of your carrier service. It to is an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the postal service for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. 2390 Wedgewood Dr. .	Saturday	8:30 am – 12:00 noon
Akron, Ohio 44312-9998		

Many of our stations and branches serve large communities and have a heavy retail work load. This concern has been brought to the attention of the surrounding managers so they can monitor window operations and ensure that customers do not have an unreasonable wait to obtain services.
As a senior citizen please utilize your carrier service. It to is an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.
Questionnaire responses indicate that customers will continue to use local businesses if the East Akron Station is discontinued. Most new businesses that move into a community do not depend on the location of the post office, but on the provision of effective and regular postal services

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required. You would be able to retain your current post office box address.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Carrier service is also an option that is beneficial because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup. Changes in types of delivery are considered where existing methods would impose an extreme physical hardship for an individual customer. Please check with your postmaster if you feel you fall into this category.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Dear Postal Customer,

Thank you for taking the time to submit your comments on the proposal to consolidate the East Akron Station. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

We have responded aggressively to the dramatic decreases in mail volume; we have consolidated mail processing operations, adjusted carrier routes across the board and restructured administration functions. Like mail volume, window transactions have declined substantially. Due to these declines, we are now reviewing our network of retail facilities and are considering consolidating operations in our stations and branches in larger metropolitan areas. We are using established processes and procedures that are already in place to conduct these reviews.

Should the East Akron Station be approved for consolidation, the South Arlington Station would accommodate carrier and retail operations along with post office box customers. No change of address would be required.

Attached you will find a list of 13 alternate locations where retail postal services are available. Also, you will find a list of additional locations where you can purchase postage stamps.

The nearest office is located 2.0 miles away and public transportation is available:

Ellet Station 2390 Wedgewood Dr. . Akron, Ohio 44312-9998	Monday – Friday Saturday	8:30 am – 5:00 pm 8:30 am – 12:00 noon

Carrier service is also beneficial to senior citizens and those who face special challenges, because the carrier can provide delivery to your home mailbox. Customers would not have to make a trip to the post office for delivery services. Additionally, carriers deliver Stamps-By-Mail and provide package and mail pickup.

I realize that with change there is concern. However, we are confident that the South Arlington Station will continue to provide you with regular and effective service. If you have questions or further comments concerning this change in service, please feel free to contact me at (216) 443-4076.

Sincerely,

Harry J. Myers
