Petition to oppose the closure of USPS Postal Office, located at 1763 Goodyear Blvd., Akron, OH 44305

We the undersigned are joining: United States Congressman Tim Ryan, Akron City Councilwoman Kelli Crawford, Akron City Councilman At Large Jeff Fusco and Summit County Councilman Jerry Freeman to oppose the proposed closure of our local post office, located at 1763 Goodyear Blvd., Akron, OH 44305. Our post office is a staple in our community and the closure will prove to be devastating to a community that has already been hit extremely hard by these tough economic times. Closing this location will create many issues for the local business community and the citizens that live in here. In Ohio, 26 post offices are on the list for closure and we stand united as a community in opposition to losing our Goodyear Heights location.
