POSTAL REGULATORY COMMISSION

Request for Waiver of Electronic Filing

Pursuant to 39 CFR 3001.12(a)(2)

Dear Commissioners:

I am a resident of Valley Falls in Cumberland Rhode Island. I wish to submit my comments regarding the recent USPS decision to close my local Post Office Branch located at 197 Broad Street on July 8 2011.

I am unable to file my comments regarding this decision via the electronic process because I do not have internet access and/or access to a computer. I respectfully request waiver from the electronic filing process. As per 39 CFR 3001.12(a)(2) I am afforded the right to have my comments and complaints submitted and entered via First Class Mail in support of my community's appeal to the commission to reverse the recent USPS decision. My major concerns regarding the closing of my local Post Office Branch is as follows:

- ① Distance
 - ② Parking
 - ③ Service
 - ④ Traffic
- In bad weather it will be almost impossible to get to diamond hill office, that area is so congested even in fair weather, I'm sure there will be a increase in accidents.

Thank you for your consideration.

Please Please consider the elderly
Thank you
