Dear Dean J. Granholm:

You signed a packet of papers that were in the Masonville post office concerning the discontinuance of service by the Masonville Post Office.

I appeal the decision that you have made to discontinue the retail outlet in the our city. I want the vacant postmaster position filled and the Masonville Post Office to remain open.

I think you should reconsider the available information and make a new determination. The closing of the post office will be a HUGE disadvantage to our community.

Thank your for your anticipated attention to my letter.
