Greetings:

We would like to appeal your decision of final determination to close the Masonville, Iowa Post Office. The post office is a very important part of our community. The post office is located in the center of town and is a place that can be used to keep our residents informed of local events and programs. We would ask that you reconsider your decision of closing the post office. Just because we are a small community does not mean we should lose government services. You have in our opinion made no efforts to keep the post office open, but have made every effort to close our post office. We would ask that you take the time to look at the effect of closing the post office on a human level not just a monetary level.

Thank you for your attention to this issue. We hope that you will make the right decision and keep our post office open.

Sincerely,

Mayor of the City of Masonville and the Masonville City Council

Beufald
Mayor
