RETAIL ACCESS OPTIMIZATION INITIATIVE,
2011

Docket No. N2011-1

**NOTICE OF UNITED STATES POSTAL SERVICE OF FILING
LIBRARY REFERENCES USPS-LR-N2011-1/8 AND USPS-LR-N2011-1/NP4
(August 30, 2011)**

The Postal Service files the material indicated below in this proceeding as
Category 4 Library References responsive to PR/USPS-T1-13(f):

USPS-LR-N2011-1/NP4 Post Office Box Data: Total and Rented [Non-Public]

USPS-LR-N2011-1/8 Post Office Box Data: Total and Rented

As indicated, this material relates to a request for information submitted by the Public Representative on August 5, 2011, in PR/USPS-T1-13(f). The interrogatory sought Post Office Box rental data for the postal retail facilities identified as part of the Retail Access Optimization Initiative. The Postal Service has located Post Office Box rental data by retail facility finance number. The Postal Service regards facility finance numbers and associated facility-specific Post Office Box rental data to be commercially-sensitive and proprietary information that should not be released into the public domain. Accordingly, it is providing those data in unredacted USPS Library Reference N2011-1/NP4, as a non-public response to interrogatory PR/USPS-T1-13(f). Library Reference N2011-1/8 consists of a public version of that same document, but with the finance numbers and Post Office Box rental data removed, reducing that Library Reference to a list of facilities in non-public Library Reference N20011-1/NP4. An application for non-

public treatment of USPS Library Reference N2011-1/NP4 is attached to this Notice. The Postal Service regrets that the press of business has delayed the filing of these Library References.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
