Dear Ms. Shoshana Grove, Secretary of the Commission,

The people of the Annis Community needs the Annis Post Office to remain open. There are people who have used this post office their entire life. This is a community which is growing. We have facilities that other small communities in the area do not have. Please consider everyone's wishes to keep this office open.

Thanks,
Ashley Dwyer

Dear Ms. Shoshana Grove, Secretary of the Commission,

I work for a utility company in Annis, La. and receive mail at the Annis Post Office. I also do a permit mailing of about 760 accounts each month. I think this Post Office should remain open, it serves lots of people who do not have transportation and walk to the post office daily. We have quite a few businesses here in Annis and churches, a clinic, a fire station and a senior citizens center. We need this Post Office to remain open. Please consider all the above before making your final decision.

Thank You,
Janet Carroll
