February 18, 2011

You are requesting any additional information from us regarding the usage of our Enloe Post Office. Therefore I am submitting the following.

Our post office is very important to our small community. We have several elderly people in the area that use this post office because of convenience and ease of assistance. If this office were to close it would be an extreme disadvantage to a lot of our neighbors. The closest office would be in Cooper, Texas. The Cooper office has a lot of front steps and would be extremely difficult for these folks to climb. I realize that it has a handicap ramp at the back, but a lot of these folks are not in a wheelchair and therefore the walk would be a lot longer for them than the short walk and step at the Enloe office. I have been told that some of the people that live in Cooper come out to Enloe to do their postal business because they don't have to climb the steps at Cooper and they don't have to wait during the holidays because of a longer line.

Also, if this office closes and we have to have a mail box outside on the road, I don't want a package hanging from the mail box (as I have seen in the past) because it was too big to put in the box. I don't want it left on my door step because I have a dog that likes to chew things. In this day and time identity theft and also petty theft is on a rampage I don't feel that our mail would be safe left in an outdoor box until we can get home from work to pick it up.

As far as purchasing stamps and sending packages using the mail carrier, I think this would be almost impossible. If I don't know how much money to send to mail a package, I don't want to leave a blank check or cash for the carrier. Therefore, I would be forced to go to the post office and that would be an inconvenience because I would have to drive 5 miles to Cooper or 25 miles to Paris to mail a package. Also, if I needed to meet with the carrier, there is no way to tell what time the carrier would arrive at my house because of the all the responsibilities being added for them to do.

I am requesting to keep our post office in Enloe, Texas open. It seems that there should be some other way to cut cost other than closing our post office. One more thing. I think it was in poor taste, and judgement to hold the upcoming meeting at a time when the working class people can't leave their jobs before 5 p.m. to attend this meeting. If you really want the community's opinion then you should schedule this meeting after working hours so you can hear from all of us.

Sincerely,

Jackie Douglas

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ENLOE Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed concern about having to erect a rural mailbox. Customers are not required to erect rural mailboxes. Customers may receive PO Box service from the administrative Post Office located _____ miles away.

If it is determined that a discontinuance of the ENLOE Post Office should be pursued, a formal proposal will be posted in the ENLOE Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

I do not want the Enloe Post Office to close! I work out of town and I leave early in the morning and come home after dark. I do not want to receive my mail in an outside box along the road! I do not want anyone to have access easy to my mail. I do not have a computer to pay my bills online so I pay all my bills by check. I do not want my checks in an outside box because I do not want anyone to have access to my bank account information because of identify theft. I also order checks by mail and they will be left in a outside box for anyone to steal. I do not trust my neighbors hand!

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the ENLOE Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

If it is determined that a discontinuance of the ENLOE Post Office should be pursued, a formal proposal will be posted in the ENLOE Post Office(s) at a later date. If you have additional questions or comments, please feel free to contact Allison Rizan at (972) 393-6485.

Sincerely,

Kay Vaughan
