PROPOSAL TO CLOSE
THE ENLOE, TX POST OFFICE
AND ESTABLISH
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1362636 - 75441

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Enloe, TX Post Office and provide delivery and retail services by Rural Route Service under the administrative responsibility of the Cooper Post Office, located four miles away.

The postmaster position became vacant when the postmaster retired on January 03, 2009. An employee from a neighboring office may be installed as the temporary officer-in-charge (OIC). Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The Office is being studied for possible closing or consolidation due to the following reasons: Unit does not earn over 2 hours

The Enloe Post Office, an EAS-11 level, provided service from 08:30 to 16:00 Monday - Friday , 08:30 to 10:00 on Saturday and lobby hours of 24 hours on Monday - Friday and 24 hours on Saturday to 72 Post Office box customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 24 transaction(s) accounting for 24 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$21,458 (56 revenue units) in FY 2008; \$14,843 (39 revenue units) in FY 2009; and \$13,001 (34 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On February 23, 2011, representatives from the Postal Service were available at Enloe Community Center located at 87 CR 4330 to answer questions and provide information to customers. 27 customer(s) attended the meeting.

On January 27, 2011, 72 questionnaires were distributed to delivery customers of the Enloe Post Office. Questionnaires were also available over the counter for retail customers at the Enloe Post Office. 64 questionnaires were returned. 0 responses were favorable, 44 unfavorable, and 20 expressed no opinion regarding the proposed alternate service.

If this proposal is implemented, delivery and retail services will be provided by the Cooper Post Office, an EAS-18 level office. Window service hours at the Cooper Post Office are from 8:00 - 4:00, Monday through Friday, and closed on Saturday. There are 62 post office boxes available.

The following concerns were expressed on the returned questionnaires, at the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community

Response: The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. Retail services may also be obtained at the administrative post office located _____ miles away.

6. **Concern:**

Customers asked why their post office was being discontinued while others were retained

Response:

The customer asked why the suspendoffice post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. 7. **Concern:**

Customers expressed concern about collection of outgoing mail

During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.

14. **Concern:**

Customers felt the cost of postage was increasing while service was decreasing

Response:

The customer expressed a concern about the increasing cost of postage while service was decreasing. The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.

The customer expressed a concern that you requested and were denied rural delivery service. There are several guidelines which must be met prior to a road being approved for delivery. The road to be traveled must be at least 14 feet wide and maintained at all times of the year. It cannot dead end in a private driveway even if the drive is maintained by a municipality. There must be a suitable turning point provided for the carrier, preferably with no backing. If backing is involved, there are other guidelines to adhere to. If backing is necessitated, the Postmaster must verify it is in a low-traffic area and there are no children in the immediate vicinity on a regular basis. There must also be a minimum of one family per one-half mile of travel.

Some advantages of the proposal are:

1. The carrier provides retail services, alleviating the need to go to the Post Office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay Post Office box fees.
6. Saves time and energy for customers who drive to the Post Office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services are provided by the carrier
2. Meeting the carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.
4. A change in you PO Box Fees may be a result of this proposal.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

VI. SUMMARY

The Postal Service is proposing to close the Enloe, TX Post Office and provide delivery and retail services by Rural Route Service under the administrative responsibility of the Cooper Post Office, located four miles away.

The postmaster retired on January 03, 2009. If the office has a noncareer PMR, they may be separated from the Postal Service. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Enloe Post Office provided delivery service to no customers and 72 PO Box customers. The daily retail window transactions averaged 24. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services will be available from the carrier, alleviating the need to travel to a Post Office for service. The Postal Service will save an estimated \$40,841 annually. A disadvantage to some may be in meeting the carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.
