Dear Sir or Madam:

I hereby request a waiver pursuant to 39CFR§3001.9 to file documents in proceedings in your office. My office (and post office) is located in an area of extreme variability of Internet service. As I write this letter, Internet service is unavailable. This zip code is an island several miles across deep water from reliable Internet service. I have applied for permission to file on line (action pending) for use when off-island but am likely to miss filing deadlines when operating out of my office. I have already missed the deadline for intervention in your Docket No. N2011-1 on behalf of a community organization, and am suffering (or causing) prejudice by further delay.

I am hopeful that you will promptly grant the needed waiver so that my client can participate in these proceedings, starting with a Motion for Late Acceptance of Notice to Intervene.

Further, if you could provide me with a case schedule, or order setting the case schedule, I would greatly appreciate it.

Thank you for your attention to this matter.

Very truly yours,

William N. Appel
