RE: Appeal to the closure of the Ellisburg Post Office

Office of PAGR

To Whom it May Concern;

I am a resident of the Village of Ellisburg and am appealing the closure of the Ellisburg Post Office.

The Village of Ellisburg is the Town seat. The Town Clerk has the responsibility of sending out bills and collecting revenues for the Town. The Town Justice is also located at the Town Hall. A lot of the correspondences include payment of fines and official certified mail.

The Ellisburg Post Office is a stand alone building with ample parking. The Pierrepont Manor Post Office is an adjunct to a diner. Please refer to the enclosed photographs.

The Town Hall meeting that we had with your local representative gave me the impression that you could not close the Pierrepont Manor Post Office due to the fact the the Post Master had tenure.

In my opinion, this is a case of the "Tail wagging the dog" not the dog wagging the tail. I always thought seniority went with organizations not a building.

Ellisburg is the seat for the Town Municipal Offices and the Highway Department.

I am completely opposed to the closure of the Ellisburg Post Office.

Sincerely,

John DeVeau
Ellisburg Village Resident
